CONGRESSMAN BOBBY L. RUSH

Presents

An Educational Seminar on

"Medicare Prescription Drug Benefit Program"

Part 'D'

Thursday, February 23, 2006

10:00 a.m. - 12:30 p.m.

(Continental Breakfast will be provided)

CARTER TEMPLE CHURCH

7841 S. Wabash Avenue, Chicago, Illinois

At this seminar, Medicare experts will help participants apprehend the decisions about the new drug benefits. It is important that we help our constituents who are Medicare-eligible, their family members or caregivers and the general public understand the new drug benefits and how to utilize them. This is particularly necessary since Part D represents one of the most significant changes to the Medicare program.

(Due to limited seating, Pre-Registration is Required)
