RE: **Support for Legislation S.2972, S.2976, S.2977, S.3135, S.3151, S.3152**

Dear Mr. Chairman:

I am writing on behalf of Central Purchasing, LLC. in support of the following legislation:

S.2972 to suspend temporarily the duty on certain 16-inch variable speed scroll saw machines

S.2976 to suspend temporarily the duty on 6-inch bench grinders for grinding, polishing or otherwise finishing metal or cement, valued under \$3,025 each

S.2977 to suspend temporarily the duty on 8-inch bench grinders for grinding, polishing or otherwise finishing metal or cement, valued under \$3,025 each

S.3135 to suspend temporarily the duty on 40-piece carbide router bit set for woodworking

S.3151 to suspend temporarily the duty on 120-piece, 90-piece, and 60-piece drill bit sets for woodworking

S.3152 to suspend temporarily the duty on 120-piece drill and driver bit sets for woodworking

Central Purchasing, LLC., established in 1968, imports from worldwide and does not manufacture any of the above mentioned items in the United States. Furthermore, in our experience and to our knowledge most of the major American branded products in these categories are produced outside of the United States.

If you should have any question relating to the passage of this bill, please do not hesitate to contact me. I thank you in advance for your consideration of these bills.

Respectfully,
