## Nussle Agenda to Expand Iowa's Economy to Create Jobs

*"A vibrant economy leads to the economic security and prosperity that Iowans work hard to provide for themselves and for their families. Encouraging continued economic expansion will help provide more good jobs for Iowans. Common-sense taxation policies can support growth for our businesses. Reforming the legal system to eliminate lawsuit abuse would lift a critical burden. We should also invest in transportation and technology, and increase demands for Iowa's products around the world."*

**Jim Nussle**

Jim is working to achieve a positive legislative agenda for Iowa's economy. Jim has worked on Iowa's economic priorities since coming to Congress and will continue to work on these goals in the 109<sup>th</sup> Congress.
