

ACADEMY NOMINATIONS

It is an honor for me to be able to nominate several outstanding young men and women each year to the U.S. Service Academies. The academies provide an excellent education and an exceptional opportunity to serve our country.

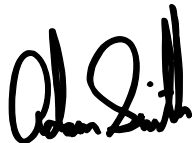

There are four service academies to which I can make nominations: The U.S. Air Force Academy in Colorado Springs, Colorado; the U.S. Military Academy in West Point, New York; the U.S. Merchant Marine Academy in Kings Point, New York; and the U.S. Naval Academy in Annapolis, Maryland. The U.S. Coast Guard Academy, New London, Connecticut does not require a nomination; however my office can write a letter of recommendation upon request approval.

An applicant interested in a nomination to one of the service academies should contact their Member of Congress and both Senators. You should apply to all sources possible, however more than one nomination is not necessary. To be considered for admission to a service academy, the candidate must meet the eligibility requirements, qualify medically, pass an aptitude test, and obtain a nomination from a source authorized by Congress.

Requirements by my office: Each applicant must submit a completed nomination package to my district office in Tacoma by November 1, 2006. If qualified, the applicant will be scheduled for an interview with a panel of retired and active duty military officers. The panel will review each package, conduct the interview, and then forward their nomination recommendations to me for final review. I will then nominate, to the academies, those applicants most qualified for appointment. The completed nomination package will consist of:

- Completed Ninth Congressional District Application
- A sealed, certified copy of your high school transcript
- Three letters of recommendation (at least one must be from a guidance counselor or principal)
- Official SAT or ACT scores
- Resume (to include your activities and accomplishments)
- A personal letter explaining why you would like to attend a Service Academy
- Recent photograph of yourself

If there are extenuating circumstances which merit special attention, please contact my office for guidance. All information must be received in my office no later than November 1st 2006. DO NOT send any documentation to my Washington, D.C. office as it may not be forwarded to my Tacoma district office by the deadline.

Adam Smith
Member of Congress

NOMINATION INFORMATION

In order to be considered for a nomination, a candidate must:

1. Reside in the 9th Congressional District. Applicants whose active duty military parents are stationed at one of the bases, but maintain legal residence in another state, should apply to the appropriate Congressional office from that State.
2. Be at least 17 years old, and not have passed your 23rd birthday on July 1 of the year of admission.
3. Be a United States citizen.
4. Be unmarried, not pregnant, and have not incurred obligations of parenthood.
5. Be of excellent moral character.

A competitive candidate will typically exhibit the following qualifications:

1. Minimum SAT scores of 500 verbal and 550 math, or ACT scores of 25 English and 28 Math.
2. A 3.7 GPA on a 4.0 scale, and a ranking in the upper 20 percent of his or her class.
3. Notable participation and performance in extracurricular activities, including leadership.
4. Excellent health (medical fitness) and physical aptitude.

SAT/ACT SCORES

Aside from your grades, your performance on the SAT or ACT is crucial to an academy's selection decision. The academies receive too many applications to judge each one on an entirely subjective basis. Most of what is known comes from your high school grades and standardized test scores. Once your file has been assessed it will be assigned a scaled score. Only if your scaled score is high enough will the other aspects of your resume be a factor in the admissions decision.

You should register for these tests early in your junior year. This will give you time to re-take the tests if you feel that your initial scores do not reflect your true potential. Information regarding testing dates may be obtained through your high school counselor.

The Air Force Academy and the Military Academy will consider your highest verbal and math scores if you re-take the test, but the Naval and Merchant Marine Academies will average your scores.

Congressman Smith's SAT code is 0600 and ACT code is 7000.

PHYSICAL APTITUDE

Physical requirements vary from academy to academy. Please contact the academies directly if you have any questions about your eligibility. All of the U.S. service academies require physical examinations to determine whether candidates are qualified for the rigorous athletic and physical education programs provided at each of the academies. Once a pre-candidate file is opened for you at the academy of your choice, they will decide whether or not to schedule you for a physical exam. If you are notified that you need to appear for a physical, you will see a physician provided by the Department of Defense Medical Evaluation Board. There is no cost to you for the exam.

INTERVIEW

Congressman Smith requires an interview prior to nominations. Interviews are conducted in December. By mid-November you will be informed by mail of the date and time of your interview. If you have problems with any of these timeframes please address them directly to the district office.

NOMINATION AND APPOINTMENT DATES

Congressman Smith will submit his nominations to the academies in mid-January. The academies notify applicants of an offer of appointment between January and mid-June.
