

H.R. 676, the ENHANCED AND IMPROVED MEDICARE FOR ALL Act would:

- ✓ Provide comprehensive health insurance coverage for *all* United States residents
- ✓ **Eliminate** all co-payments, premiums, and deductibles
- ✓ **Allow you to choose** from any participating doctor, public or private
- ✓ Require a uniform, **best quality** standard of care
- ✓ Reduce health disparities of groups, including **race, ethnicity, and location**
- ✓ Pay physicians and health professionals based on services rendered or by salary
- ✓ **Cost the same** amount the nation currently spends on health care overall
- ✓ Free up doctors to **spend more time with patients** instead of paperwork
- ✓ Virtually eliminate future personal bankruptcies due to medical costs
- ✓ Build upon the efficiency and popularity of traditional Medicare
