Dear Mr. Delahant,

I am sending to you Flat Stanley. It is based on a fiction story about a boy that gets crushed by a chalkboard, and becomes flat. While Stanley is flat a friend wants him to visit and train tickets are expensive. So they mail him all the way to Calofornia!! Stanley loves to have fun. Stanley hates Party poopers so make sure he has fun with you!! IF It is at all possible Stanley likes to share his travels, so maybe you could send pictures. Also please send Stanley back! Thanks!

Sincerely
