

Why can't the Democrats ^{RECEIVED WORK} together

JUL 11 2005

William Delahunt, MC

to beat down the Republicans.

Carl Rove's speech made us look lousy
but we came back with a weak response

Push the fact that Pres. Bush's definition
of BIPARTISAN is:

- a) ALL Democrats vote for Republican bills
- b) No Republican will vote for Demo-bill

We look like a party of wimps!

The Republicans have their names in the news
daily. All we do is bitch bitch bitch
and STAY hidden
