

# UNITED STATES REPRESENTATIVE

## Dan Lipinski (IL-03)

---

As a Congressional intern, you will be involved in many interesting and educational experiences like attending briefings and hearings on Capitol Hill. I believe that a congressional internship is a challenging and rewarding time, one in which and individual truly learns how the government works.

Internships last about one semester, are unpaid and do not provide housing; however they are a great way to walk the halls of Congress, experience the way our government operates, and, depending on your university or college, gain college credit all at once. An internship program is not designed strictly for political science or government majors, but it is beneficial to have a strong interest in politics, a strong sense of responsibility, enthusiasm, and ability to adapt to a busy work environment.

Please provide the following information and a copy of your resume or letter of interest for interning in Washington, D.C. for Congressman Dan Lipinski. Forward the completed form and letter writing samples to Ms. Elizabeth Kelly at 1217 Longworth Building, Washington, D.C., 20515, or via fax at (202) 225-1012, or via E-mail at [Elizabeth.Kelly@mail.house.gov](mailto:Elizabeth.Kelly@mail.house.gov).
