Congressman Scott Garrett's Statement Regarding on Corzine's Comments Regarding Vice-President Cheney

WASHINGTON, DC – “Comparing the Vice-President of the United States, who also serves as the President of the U.S. Senate, to a brutal and murderous dictator like Saddam Hussein is inappropriate in any context.

“Sen. Corzine’s comments show unwillingness on his part, and on the part of Democrats in Congress, to address important issues like Social Security reform, and instead demonstrate their preference for partisan, childish rhetoric and gridlock over good-faith negotiations that will produce real, positive results for the American people.”
