The Honorable Anthony Scalia  
Associate Justice  
Supreme Court of the United States  
1 First Street NE  
Washington, D.C. 20543-0001

Dear Honorable Scalia:

I am writing you to pass along my sincere thanks and highest admiration for the courageous stand you took in the Lawrence v. Texas case a few weeks ago. I have stood in awe of your moral leadership in the Supreme Court and am not alone when I applaud your consistent defense of our nation's values.

The liberals of this nation would like to destroy the morality and decency upon which America was founded. My heart breaks to hear of more and more doors being opened to corruption and depravity in this country. There are many days where I wonder what kind of world our nation's young people are going to have waiting for them when they are adults.

However, I find great encouragement in the actions of moral leaders like you, Justice Scalia. Thank you for being a man of integrity and for speaking truth in a world full of lies. Your words are a bright ray of hope in an increasingly darkening world of legal rulings.

My prayers are with you and those you work with as you continue to make decisions that will shape the future of America. Your presence in that future gives me hope. It is my privilege to stand shoulder to shoulder with you in this fight to maintain a sense of morality in our country. I am pleased to count you as a fellow foot soldier in this daily battle.

May God continue to bless you as you seek to serve Him and do what is right in His eyes and in the eyes of our forefathers who founded this nation on character and values. May you continue to receive the encouragement and support you deserve for your stand.

Sincerely,

  
Walter B. Jones  
Member of Congress
