

Amendment to the Amendment in the
Nature of a Substitute to H.R. 1261
Offered by Ms. McCollum

Page 106, line 9, strike “striking “; and” and inserting a period;” and inserting the following:

(G) projects that provide retention grants to qualified job training programs upon placement or retention of a low-income individual trained by that program in employment with a single employer for a period of one year; provided that such employment is providing to the low-income individual an income not less than twice the poverty line for that individual.
