**Subject: Endorsement from the National Consumers League for the
"Health Care for All Americans" bill**

Dear Senator Wyden:

The National Consumers League endorses the "Health Care for All Americans" bill sponsored by Senator Ron Wyden and Senator Orrin Hatch. The bill proposes a national public discussion on improving the health care system and mandates a Congressional vote on health care legislation that comes from the recommendations of the American people. The National Consumers League supports this legislation that invites consumers to help shape national health policy.

Sincerely,

LINDA F. GOLODNER
President
