Veterans Service Organizations and Post Commanders:

I hope this letter finds all of you well. There has been much discussion lately regarding our current relationship with the Medical University of South Carolina (MUSC), in particular the potential of a new VA hospital, and the joint collaboration on the purchase of high tech equipment.

We have developed the enclosed "Frequently Asked Questions" sheet which will hopefully answer some of your questions.

Please feel free to contact us if you have any further questions, or need any additional information. As always, we deeply appreciate your service and continued commitment to our country.

Sincerely,

A handwritten signature in black ink, appearing to read "Florence N. Hutchison".
