

NEW YORK

The Metropolitan Museum of Art is the largest and most important art museum in New York.

Dear Secretary Chertoff,

Just a quick note from one of New York's many national monuments and icons.

More than four million people visit the Metropolitan Museum of Art each year. With over two million works of art in its collection, the oldest works of art in the Museum date to the Lower Paleolithic period (ca. 300,000-75,000 B.C.).

Wish you were here!

Hillary and Pete
