

Congress of the United States
U.S. House of Representatives
Washington, D.C.

Dear Neighbor:

Welcome!

Are you new to the neighborhood? If you are – or if you have lived in the community for a long time but never had contact with my office – I want to introduce the many services available to you. As the Representative for this area in the U.S. Congress, constituent service is a top priority, and my offices are here for you.

My staff is happy to assist you with any concerns you may have with any state or federal agency such as difficulties with mail delivery, IRS, Social Security and Medicare. Please feel free to contact the New York District Office at (212) 860-0606, or write to 1651 Third Avenue, Suite 311, New York, NY 10128. If the web is more convenient, please feel free to send your concerns via the internet at www.house.gov/maloney. All efforts will be made to address your needs.

Please also share your views regarding the future of public policy issues facing our community and our nation. Hearing your views and opinions is helpful in enabling me to represent you in the U.S. Congress in the best way possible.

I have offices in Manhattan, Queens and Washington, D.C. to serve you. The Manhattan and Queens offices have experience helping constituents solve problems with state and federal agencies, and the Washington office works on legislative issues pending before Congress. More information can be found at www.house.gov/maloney. Communicating with constituents is one of the most important and rewarding parts of being a Member of Congress, and I invite you to contact me regarding legislation, casework or any other matter of mutual concern. **It's an honor to serve you, please stay in touch.**

Sincerely,
Carolyn B. Maloney
