Washington, DC 20548

Dear Mr. Walker:

On November 5 and 8, 2004, I, along with other Members, wrote to request an investigation of the efficacy of voting machines and new technologies used in the 2004 election, how election officials responded to difficulties they encountered and what we can do in the future to improve our election systems and administration.

My office has been contact by Members seeking to sign onto these requests. Therefore, by their signature below, I would like to request that you consider these Members as original signatories of the letters.

I appreciate your assistance with this matter and I look forward to hearing from you on the status of this request.

Sincerely,
