

ILLEGAL IMMIGRATION: Out of Control

CONGRESSMAN RANDY FORBES

SECURE BORDERS • LEGAL IMMIGRATION

Illegal immigration threatens our Nation's well-being.

Border Security Is National Security.

America is a nation of immigrants, but we are also a nation of laws. With our country facing a serious immigration crisis, we must send the message that our loyalty as a nation is to those who have legitimately worked their way into our country because they share our core belief that entry into the United States is not a right, but a privilege.

As your Representative in Congress and as a member of the Congressional Immigration Reform Caucus, I am working to ensure that our borders are staffed, our laws are enforced and the legal rights of U.S. citizens are being protected.

The problem continues to grow.

- More than **10 million** undocumented aliens currently reside in the U.S.
- U.S. population is growing by **700,000 per year** due to illegal aliens.
- Estimates of the net cost of immigration to taxpayers run from **\$30 billion to \$50 billion** a year.
- In some hospitals, as much as **two-thirds** of total operating costs are for uncompensated care for illegal aliens.
- Criminal aliens account for nearly **30% of prisoners** held in federal facilities.
- From 1995 to 2000, U.S. Citizenship and Immigration Services (USCIS) **released over 35,000 criminal immigrants** instead of deporting them.

Your Opinion

Randy Forbes' Position:
Oppose Amnesty for Illegal Immigrants

I agree with Congressman Forbes. Granting amnesty to illegal aliens sends the wrong message. Amnesty will only encourage millions more to break the law and cross our borders.

I disagree. We should grant amnesty to the nearly 11 million illegal aliens so they can automatically become United States citizens.

Randy Forbes' Position:
Strengthen Border Control

I agree with Congressman Forbes. We should improve control of our borders by using physical barriers, electronic surveillance and additional port-of-entry inspectors.

I disagree. We shouldn't worry so much about border control, and we should increase the number of immigrants permitted to enter our country.

Other: _____

Randy Forbes' Position:
Expedite Deportation of Illegal Aliens

I agree with Congressman Forbes. We should require all illegal aliens apprehended by Border Patrol to remain in custody until their deportation.

I disagree. Once apprehended, illegal immigrants should be released and required to report back at a later date for immigration hearings, as it is done currently.

Other: _____

Randy Forbes' Position:
Citizens Should Learn English

I agree with Congressman Forbes. New citizens should learn English to better assimilate into our nation and become a productive part of society.

I disagree. Immigrants shouldn't have to learn English, and should continue speaking their native language.
