

# Community Services Block Grant: Down by 31% in Actual Dollars, 42% in Purchasing Power

Appropriations, in millions of dollars and in inflation-adjusted per-capita dollars

CSBG funds are used by almost 1,100 local agencies operating in 96 percent of U.S. counties to provide basic services to some of the poorest people in our communities, many of whom have few other places to turn for help. Inflation adjustments made using Consumer Price Index.
