10 Unimplemented 9/11 Commission Recommendations

1. **Allocate funding on the basis of risks and vulnerabilities**

2. **Create and rehearse state and local emergency response plans**

3. **Turn over broadcast frequencies to first responders NOW, not in 2009**

4. **Shut down turf battles, increase information sharing among government agencies**

5. **Speed up FBI reform: improve information technology and analytical capabilities, lower workforce turnover**

6. **Protect privacy and civil liberties with an oversight function within the executive branch**

7. **Improve air passenger screening, allow government to name check, if necessary**

8. **Change negative perceptions of America by reaching out to the Muslim world**

9. **Strengthen Congressional oversight to effectively check the Executive**

10. **Block terrorist access to nuclear weapons**
