Re: Platinum Solutions, Inc.

Dear Chairman Dingell and Ranking Member Barton,

I am writing on behalf of our client, Platinum Solutions, Inc. ("Platinum Solutions"). Pursuant to the February 26, 2007, letter from the House Committee on Energy and Commerce and its Subcommittee on Oversight and Investigations, enclosed please find responsive records from Platinum Solutions labeled PL000001 through PL001116. These records contain sensitive proprietary information, and we respectfully request that the Committee treat these confidential materials accordingly.

During a meeting on March 5, 2007, Committee staff agreed to extend the return date until March 20, 2007. We are in the process of collecting and reviewing additional responsive records from the senior Platinum Solutions officers and employees identified in Attachment A, and we will make every effort to comply with this deadline.

Platinum Solutions is extremely proud of the work that it has done for the Food and Drug Administration and is eager to cooperate fully with the Committee's investigation.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Andrew L. Snowdon
