#	Date	Bill Number	Description	VOTE	Result	Vote #'s
2	1/4/07	Election of the Speaker	The Nomination of Nancy Pelosi, D-Calif. and John A. Boehner, R-Ohio, for Speaker of the House of Representatives for the 110th Congress. Note: Yes represents a vote for Pelosi; and No represents a vote for Boehner.	NO	Passed	233-202
4	1/4/07	H. Res. 6	Motion to commit the rule (H. Res. 5) to provide for House consideration of a resolution setting the rules for the 110th Congress to a select committee comprised of the majority and minority leaders with instructions that it be reported back after adding sections that would prohibit retroactive tax increases and require a three-fifths vote in the House before any tax increase could be approved.	YES	Failed	199-232
6	1/4/07	H. Res. 6	Adoption of Title I of the resolution setting the rules for the 110th Congress. The title adopts the rules of the 109th Congress.	YES	Passed	426-0
7	1/4/07	H. Res. 6	Adoption of Title II of the resolution setting the rules for the 110th Congress. The title bans members from accepting gifts from lobbyists or organizations employing lobbyists. It requires members to obtain pre-approval from the ethics committee for travel paid by outside sponsors and bans the use of official or campaign funds for travel on corporate jets. It also prevents members from taking or withholding actions to influence outside groups' hiring on a partisan basis and requires annual ethics training for officers and employees of the House.	YES	Passed	430-1

8	1/5/07	H. Res. 6	Adoption of Title III of the resolution setting the rules for the 110th Congress. The title prevents recorded votes from being held open beyond the 15-minute minimum time period in order to reverse an outcome. It also requires conference committee meetings to be open to all conferees, prohibits changes to conference agreements finalized by conferees and bars consideration of altered conference agreements in the House.	YES	Passed	430-0
9	1/5/07	H. Res. 6	Adoption of Title IV of the resolution setting the rules for the 110th Congress. The title requires legislation and conference reports to be accompanied by a list of earmarks and limited tax or trade benefits, and their sponsors. Members must provide information about the recipient and purpose of an earmark. It creates new budget points of order, including pay-as-you-go rules which require tax increases for any new tax cuts.	NO	Passed	280-152
10	1/5/07	H. Res. 6	Motion to commit the resolution setting the rules for the 110th Congress to a select committee comprised of the majority and minority leader with instructions that it be reported back after adding sections that would allow for consideration of legislation concerning association health plans and requiring legislation and conference reports to be accompanied by a list of earmarks and limited tax or trade benefits, and their sponsors. Members would have to provide information about the recipient and purpose of an earmark.	YES	Failed	200-232
11	1/5/07	H. Res. 6	Adoption of Title V of the resolution setting the rules for the 110th Congress. The title provides special rules for House floor consideration of specific bills regarding Sept. 11 commission recommendations, minimum wage, stem cell research funding and Medicare prescription drugs without amendments or committee action.	NO	Passed	232-200
12	1/9/07	H. Res. 35	Motion to recommit the resolution, to amend House rules to create a new Select Intelligence Oversight Panel within the House Appropriations Committee, to the House Rules Committee.	YES	Failed	195-232

13	1/9/07	H. Res. 35	Adoption of the resolution amending House rules to create a new Select Intelligence Oversight Panel within the House Appropriations Committee. The panel will hold hearings to examine the President's budget request for intelligence, recommend funding levels to the relevant subcommittees, prepare the classified annex to the annual Defense appropriations bill and conduct oversight of the use of appropriated funds.	NO	Passed	239-188
14	1/9/07	H.R. 1	Motion to recommit the bill to the House Foreign Affairs Committee with instructions to include language removing the provision that urges the President to work with the United Nations Security Council to authorize the Proliferation Security Initiative, a State Department program, under international law. It would have added language to the bill stating that the U.S. government is exclusively responsible for ensuring the security of Americans.	YES	Failed	198-230
15	1/9/07	H.R. 1	Passage of the bill implementing recommendations of the Sept. 11 commission, including requiring homeland security grants to be provided primarily on the basis of risk while ensuring minimum amounts for each state. It creates a new grant program to support the development of interoperable communications. It also requires all cargo bound for the United States to be scanned for radiation and density before being placed on a ship in a foreign port. The bill gives the United Nations (UN) an additional role in counter proliferation and subjects some of the United States key security initiatives to the authorization of the UN. The bill authorizes new sanctions on foreign individuals or entities that engage in the improper transport or sales of nuclear weapons materials.	NO	Passed	299-128
17	1/10/07	H.R. 2	Motion to recommit the bill to the House Education and Labor Committee with instructions to include language allowing employers who provide health benefits to their employees to pay a minimum wage of \$5.15 an hour. The bill fails to extend minimum wage to American Samoa.	YES	Failed	144-287

18	1/10/07	H.R. 2	Passage of the bill increasing the federal minimum wage by \$2.10 over two years -- from the current level of \$5.15 an hour to \$7.25 an hour. The minimum wage increases 60 days after enactment, from \$5.15 to \$5.85 an hour. It rises to \$6.55 an hour a year later, and to \$7.25 an hour the next year. The bill also extends federal minimum wage requirements to the Commonwealth of the Northern Mariana Islands and sets it at \$3.55 an hour, 60 days after enactment. The wage would rise in 50 cent increments every six months until it reaches the \$7.25 per hour level.	NO	Passed	315-116
19	1/11/07	H.R. 3	Motion to recommit the bill to the House Energy and Commerce Committee with instructions to include language prohibiting entities involved in human cloning from receiving federal funding for embryonic stem cell research.	YES	Failed	189-238
20	1/11/07	H.R. 3	Passage of the bill allowing the use of federal funds in research on embryonic stem cell lines derived from surplus embryos at in-vitro fertilization clinics, but only if donors give their consent and are not paid for the embryos. The bill authorizes the Health and Human Services Department to conduct and support research involving human embryonic stem cells that meets certain criteria, regardless of when stem cells were derived from a human embryo.	NO	Passed	253-174
21	1/11/07	H. Res. 15	Adoption of the resolution expressing appreciation for the late President Gerald R. Ford's public service, and directing that eulogies offered to him be bound and printed as House documents and sent to his family.	YES	Passed*	423-0
22	1/12/07	H.R. 4	Motion to recommit the bill to the House Energy and Commerce Committee with instructions to add language requiring the Health and Human Services Department to assure in negotiations with drug companies that beneficiaries will not be restricted or limited in their access to prescription drugs or to networks of chain and community pharmacies. The motion would have required provisions that the negotiations not result in any increase in price for prescription drugs for any group.	YES	Failed	196-229

23	1/12/07	H.R. 4	Passage of the bill requiring the Health and Human Services (HHS) Department to negotiate with drug companies the prices of drugs covered under the Medicare Part D prescription drug program. It also specifies that the bill should not be construed to authorize HHS to establish or require a particular formulary.	NO	Passed	255-170

28	1/17/07	H.R.434	Motion to suspend the rules and pass the bill that authorizes, until Dec. 31, 2007, all programs, authority and provisions including pilot programs implemented before Sept. 30, 2006, by the Small Business Administration.	YES	Passed	413-2
31	1/17/07	H.R. 5	Motion to recommit the bill to the House Education and Labor Committee with instructions to add language that would lower college loan interest rates for college graduates whose annual adjusted gross income is less than \$65,000 or who are serving on active or National Guard duty during a war, other military operation or national emergency.	YES	Failed	186-241
32	1/17/07	H.R. 5	Passage of the bill that cuts interest rates in half over a five-year period for undergraduates with subsidized student loans, beginning July 1, 2007. Additional cuts become effective on July 1 each year for the next four years. It reduces the "special allowance payment" made to lenders, lowers the amount the government pays to lenders for defaulted loans, increases the one-time origination fee paid by lenders to the government on all loans, cuts the fee paid to guaranty agencies that collect on loans and enlarges the annual fee paid by lenders on consolidation loans.	NO	Passed	356-71
38	1/18/07	H.R. 6	Motion to recommit the bill to the respective committees of jurisdiction with instructions to go through regular order.	YES	Failed	194-232
39	1/18/07	H.R. 6	Motion to table the Blunt, R-Mo., appeal of the ruling of the chair against the Blunt point of order that House rules require a three-fifths majority passage vote if a bill would increase taxes.	NO	Passed	230-195
40	1/18/07	H.R. 6	Passage of the bill that limits tax benefits and requires royalty payments from certain oil and gas companies. The resulting revenue will be deposited into a new renewable energy account that could be used to offset the cost of research into alternative energy sources and conservation measures contained in future legislation.	NO	Passed	264-163

372	5/17/07	H.R. 1585	Motion to recommit the bill to the Armed Services Committee with instructions that it be immediately reported back with language that would expand the ballistic missile defense system with Israel. It would instruct the Defense secretary, within 180 days of enactment, to report to Congress about the system and would authorize \$205 million for the system, offset by a reduction in the bill's amounts for procurement and research, development, testing and evaluation areas, other than missile defense.	YES	Passed	394-30
373	5/17/07	H.R. 1585	Passage of the bill that authorizes \$648.6 billion for defense programs in fiscal 2008, including \$141.6 billion in emergency spending for operations in Iraq and Afghanistan. The bill authorizes \$102.7 billion for weapons procurement, \$142.5 billion for operations and maintenance, \$115.4 billion for personnel, \$21.2 billion for military construction and family housing and \$22.5 billion for defense health-care programs. It authorizes \$8.1 billion for the Missile Defense Agency and a 3.5 percent pay increase for military personnel.	YES	Passed	397-27
377	5/17/07	S. Con. Res. 21	Adoption of the conference report on the concurrent resolution that allows up to \$954.1 billion in discretionary spending for fiscal 2008, plus \$145.2 billion for operations in Iraq and Afghanistan. The discretionary total includes \$503.8 billion for defense, not counting the war money. Non-defense programs will get \$450.8 billion, plus \$2 billion in advanced fiscal 2009 funding. The resolution assumes 1.8 trillion in mandatory outlays, and includes reconciliation instructions to cut \$750 million from mandatory programs in 2007 through 2012. It reinstates pay-as-you-go rules in the Senate and establishes a trigger mechanism in the House that blocks any tax cuts if a projected fiscal 2012 surplus does not materialize.	NO	Passed	214 -209

753	7/27/07	H.R. 2419	Amendment that would have prohibited individuals from receiving farm conservation payments if their income exceeds \$1 million, unless 75 percent of their income comes from farm income.	YES	Failed	175-252
754	7/27/07	H.R. 2419	Amendment that would have adjusted the federal crop insurance program, including a reduction of the imputed premium on catastrophic coverage by 25 percent and charge an administrative fee equal or greater than \$100 or 25 percent of the new, reduced imputed premium, with a maximum fee of \$5,000.	NO	Failed	175-250
755	7/27/07	H.R. 2419	Motion to recommit the bill to the Agriculture Committee with instructions that it be reported back promptly with language to strike a tax provision that would raise \$4 billion over five years by ending the ability of foreign companies operating in the United States to shift income to a third country and to eliminate bilateral tax agreements.	YES	Failed	198-223
756	7/27/07	H.R. 2419	Passage of the bill that authorizes roughly \$286 billion from fiscal 2008 through fiscal 2012 for federal farm, nutrition assistance, rural development and agricultural trade programs. It bars producers making more than \$1 million a year from receiving federal subsidies, but increases the maximum individual farmers can collect in direct payments to \$60,000. Country-of-origin labels for all meat will be required by September 2008. It authorizes \$2 billion in mandatory loan guarantees for biofuel refineries and \$1.5 billion for production incentives for ethanol and biodiesel made from agricultural, forest and waste plant materials. Farmers will be able to choose between the current form of counter-cyclical income support payments and payments based on a national revenue target. The bill extends the Milk Income Loss Contract program through fiscal 2012. It increases, from	NO	Passed	231-191

			\$134 to \$145 per month, the amount households could deduct from gross income in determining their level of benefits. It also includes tax provisions that would raise \$4 billion over five years, mainly by ending the ability of foreign companies operating in the United States to shift income to a third country and to eliminate bilateral tax agreements.			
757	7/27/07	H.R. 1	Adoption of the conference report on the bill that implements recommendations of the Sept. 11 commission, including requiring homeland security grants based mainly on risk while ensuring minimum amounts for each state. It creates a new grant program to support the development of interoperable communications. It also requires all cargo bound for the United States to be scanned for radiation and density before being placed on a ship in a foreign port. The bill authorizes new sanctions on foreign individuals or entities that engage in the improper transport or sales of nuclear weapons materials.	YES	Passed	371-40

Res. 612).	NO	Passed	216-182
834	8/4/07	H.R. 2776	Motion to recommit the bill to the House Ways and Means Committee with instructions that it be reported back with a substitute that would provide \$5 billion in energy-related tax provisions. It also would have extended and reauthorize the advanced coal and coal gasification gas credits.	YES	Failed	65-346
835	8/4/07	H.R. 2776	Passage of the bill that authorizes \$16.1 billion in energy-related tax provisions, including new tax credit bonds to encourage energy efficiency in residential property and more production of "clean" energy. It also authorizes \$3.6 billion in bonds for state and local governments to fund energy conservation efforts. It will be offset primarily by reducing current tax benefits for oil and gas companies. It raises taxes on the oil and gas industry and uses the proceeds to extend and expand tax breaks for renewable energy, hybrid cars and energy-efficient buildings and appliances. The bill also creates a \$6 billion "green bond fund."	NO	Passed	221-189
836	8/4/07	S. 1927	Passage of the bill that amends the Foreign Intelligence Surveillance Act of 1978 (FISA) to expand the authority of the attorney general and the director of National Intelligence to conduct surveillance of one suspected foreign	YES	Passed	227-183

The measure raises loan limits in high-cost areas for FHA-backed loans, allows the agency to support zero-down loans and varies the premiums it charges borrowers based on their credit risk. It also permits lower monthly payments for borrowers who make on-time payments for the first five years of a loan.			
877	9/18/07	H.R. 3096	Motion to suspend the rules and pass the bill that caps non-humanitarian assistance to Vietnam at 2007 levels until the president submits a report showing that Vietnam has made "substantial progress" in respecting religious freedom, property rights and human rights.	YES	Passed*	414-3
881	9/19/07	H.R. 2761	Amendment that makes technical and conforming changes, including requiring the Department of Homeland Security to certify acts of nuclear, biological, chemical, or radiological terrorism and using the Consumer Price Index to adjust for inflation the dollar amounts used to determine the deductible amount.	YES	Passed	426-1
882	9/19/07	H.R. 2761	Amendment that would have increased the program's yearly deductible by 1 percent each year.	YES	Failed	194-230
883	9/19/07	H.R. 2761	Motion to recommit the bill to the Financial Services Committee with instructions that it be promptly reported back with language that would ensure that the bill complies with the House's pay-as-you-go requirements by requiring the enactment of a joint resolution to permit federal compensation under the Terrorism Risk Insurance Act of 2002.	YES	Failed	196-228
884	9/19/07	H.R. 2761	Passage of the bill that reauthorizes the Terrorism Risk Insurance Act for 15 years. The bill sets the amount of losses that would trigger federal aid to insurance companies at \$50 million. It sets the deductible for attacks certified by the Homeland Security Department as nuclear, biological, chemical, or radiological at 3.5 percent of the damages. The bill also adds group life insurance to policies backed by the government for which terrorism insurance coverage must be made available by insurers.	YES	Passed	312-110

901	9/25/07	H. Res. 557	Motion to suspend the rules and adopt the resolution that urges the United Nations Human Rights Council to remove Israel from its permanent agenda and to hold special sessions to address other countries where human rights abuses are being committed.	YES	Passed*	416-2
902	9/25/07	H. Res. 675	Motion to table (kill) the Rogers, R-Mich., appeal of the ruling of the chair against the Rogers point of order that the rule to provide for House floor consideration of the Senate amendment to the bill violates House rules concerning earmarks.	NO	Passed	224-190
906	9/25/07	H.R. 976	Motion to concur in the Senate amendment, with an amendment. The House amendment reauthorizes the State Children's Health Insurance Program at \$60 billion over five years, expanding the program by \$35 billion. It expands eligibility beyond 300 percent of poverty. To offset the cost of the expansion, it increases the tax on cigarettes by 61 cents to \$1 per pack and raises taxes on other tobacco products. This bill fails to ensure that illegal immigrants don't have access; and includes a budget gimmick that would put the program at risk.	NO	Passed	265-159
907	9/25/07	H. Res. 590	Motion to suspend the rules and adopt the resolution that supports the goals and ideals of National Domestic Violence Awareness Month and expresses the sense that Congress should continue to raise awareness of domestic violence in the United States.	YES	Passed*	395-0

911	9/26/07	H. J. Res. 52	Passage of the joint resolution that extends spending authority at fiscal 2007 levels through Nov. 16 for those agencies and programs whose fiscal 2008 appropriations bills have not been enacted. It appropriates funds to continue the State Children's Health Insurance Program through Nov. 16. The measure extends defense spending, including the supplemental fiscal 2007 appropriation for the war in Iraq and Afghanistan, and appropriates \$5.2 billion, through Sept. 30, 2008, to continue production and purchase of Mine Resistant Ambush Protected vehicles. It also extends the authority to collect aviation-related taxes and expends the resulting revenue on aviation programs for the period of the resolution.	YES	Passed	404-14
912	9/26/07	H.R. 2693	Amendment that would have required the Occupational Safety and Health Administration (OSHA) to wait until the National Institute of Occupational Safety and Health concludes there is sufficient data to support a recommended exposure limit and establishes such a limit before OSHA issues a final standard.	YES	Failed	189-233
913	9/26/07	H.R. 2693	Passage of the bill that requires the Occupational Safety and Health Administration to issue standards regulating worker exposure to diacetyl, used in artificial butter flavoring. The final standard, due within two years of the bill's enactment, will apply to all establishments involved in flavoring manufacturing and has to include worker safety requirements. The measure also requires the National Institute of Occupational Safety and Health to conduct a study on flavorings used in microwave popcorn.	YES	Passed	260-154
919	9/27/07	H.R. 3121	Amendment that allows multiple peril and flood insurance coverage of apartment buildings with a maximum coverage limit equal to the total number of dwelling units in the building multiplied by the maximum coverage limit per unit.	NO	Passed	268-143

Res. 32	Motion to suspend the rules and adopt the resolution that denounces gender-based persecutions, including female mutilation, domestic violence, "honor" killings and dowry deaths and expresses the sense of the House that regardless of religion, geography or form of government, women should not be denied equal rights.	YES	Passed*	378-0
950	10/9/07	H.R. 400	Motion to suspend the rules and pass the bill that bans contractors from knowingly defrauding or attempting to defraud the U.S. government or a provisional authority while supporting U.S. missions abroad. Violators will be subject to up to 20 years in prison and a fine of \$1 million or twice the gross profits of the contract, whichever is greater.	YES	Passed*	375-3
955	10/10/07	H.R. 2895	Amendment that establishes a state minimum allocation percentage where every state will receive at least 0.5 percent of total funds available each year. It also requires that the mixed-income limitation capping the number of units initially rented to extremely low-income families at 50 percent apply to the total number of units in a project.	YES	Passed	418-2
956	10/10/07	H.R. 2895	Substitute amendment that would have created a national affordable-housing grant fund within the HOME program, administered through the Department of Housing and Urban Development (HUD).	YES	Failed	163-257
957	10/10/07	H.R. 2895	Motion to recommit the bill to the Financial Services Committee with instructions that it be reported back promptly with language that would require family members at least 18 years old, with certain exceptions, to perform at least 20 hours of approved work activities per month as a condition of receiving affordable-housing trust fund assistance.	YES	Failed	199-218
958	10/10/07	H.R. 2895	Passage of the bill that establishes a new \$1.3 billion affordable-housing trust fund to provide assistance for the construction, rehabilitation and preservation of affordable housing for low-income families. It requires HUD to establish a formula to allocate the trust fund among states, local jurisdictions,	NO	Passed	264-148

			American Indian tribes and U.S. territories based on their relative needs.			
959	10/10/07	H.R. 3056	Motion to recommit the bill to the Ways and Means Committee with instructions that it be reported back promptly with language that would permanently repeal the death tax.	YES	Failed	196-212
960	10/10/07	H.R. 3056	Passage of the bill that rescinds the authority of the IRS to enter into contracts with private companies to collect debts. It delays from 2011 to 2012 a requirement that federal, state and local governments withhold 3 percent of their payments for certain goods and services. The bill includes several provisions to offset costs.	NO	Passed	232-173

961	10/15/07	H. Res. 738	Motion to suspend the rules and adopt the resolution that condemns efforts by pro-Syrian elements to overthrow the democratically-elected government of Lebanon, calls on the international community to support Lebanese sovereignty and urges the president of the United States to help peacefully safeguard Lebanon.	YES	Passed*	375-5
962	10/15/07	H.R. 2089	Motion to suspend the rules and pass the bill that designates a post office in New Orleans, La., as the "Louisiana Armed Services Veterans Post Office."	YES	Passed*	383-0
963	10/15/07	H.R. 20	Motion to suspend the rules and pass the bill that directs the National Institutes of Health to conduct research on the cause of postpartum depression, improves diagnostic techniques and performs clinical research for the development of new treatments. It authorizes \$3 million in fiscal 2008 and such sums as necessary in fiscal 2009 and 2010.	YES	Passed*	382-3
968	10/16/07	H.R. 3678	Motion to suspend the rules and pass the bill that extends for four years, through Nov. 1, 2011, the ban on state and local taxes on Internet access, as well as prevents most state and local governments from collecting taxes on electronic commerce such as cable modem and digital subscriber lines.	YES	Passed*	405-2
972	10/16/07	H.R. 2102	Motion to recommit the bill to the Judiciary Committee with instructions that it be immediately reported back with language that would allow a federal court to consider the extent of any harm to national security when deciding if nondisclosure of information would be contrary to the public interest.	YES	Passed	388-33
973	10/16/07	H.R. 2102	Passage of the bill that creates a qualified privilege for journalists that prevents them from being legally compelled to provide testimony or documents that reveals their confidential sources, unless a court finds one of several exceptions applies. Those include cases in which obtaining the information is necessary to prevent acts of terrorism, breaches of national security, imminent death or severe bodily harm. When information is sought for a criminal investigation or prosecution, there would have to be "reasonable grounds" that a crime has	YES	Passed	398-21

			occurred, and the targeted documents or testimony would have to be "critical" to the investigation, prosecution or defense.			
976	10/17/07	H. Res. 549	Motion to suspend the rules and adopt the resolution that supports the goals of America's Waterway Watch program and recognizes the importance of maintaining a heightened sense of awareness in the maritime domain.	YES	Passed*	420-0
978	10/17/07	H. Con. Res. 182	Motion to suspend the rules and adopt the concurrent resolution that commends the NASA Langley Research Center in Hampton, Va., on the celebration of its 90th anniversary.	YES	Passed*	421-0
979	10/17/07	H.R. 2095	Motion to recommit the bill to the Transportation and Infrastructure Committee with instructions that it be immediately reported back with language that would bar the use of funds in the bill to change the name of the Federal Railroad Administration.	YES	Failed	198-222
980	10/17/07	H.R. 2095	Passage of the bill that authorizes \$1.1 billion for the Federal Railroad Administration from fiscal 2008 through 2011 and reauthorizes rail safety programs. It also renames the agency the Federal Railroad Safety Administration and nearly doubles the number of rail safety inspection and enforcement personnel. Labor rules for rail workers now requires 10 hours of rest during a 24-hour period, prohibits shifts of more than 12 hours and mandates one day off per week. It also places limits on "limbo time," the on-duty hours in which workers are transported back to officially complete their shifts.	YES	Passed	377-38
982	10/18/07	H.R. 976	Passage, over President Bush's Oct. 3, 2007, veto, of the bill that would have reauthorized the State Children's Health Insurance Program at nearly \$60 billion over five years, expanding the program by \$35 billion. It would have expanded eligibility beyond 300 percent of poverty. To offset the cost of the expansion, it would have increased the tax on cigarettes by 61 cents to \$1 per pack and raised taxes on other tobacco products. This bill failed to ensure that illegal immigrants wouldn't have access; and included a budget gimmick that would have put the program at risk.	NO	Failed	273-156

1014	10/30/07	H.R. 3879	Motion to suspend the rules and agree to the Senate amendment to the bill that extends for seven years, through Nov. 1, 2014, the ban on state and local taxes on Internet access, as well as prevents most state and local governments from collecting taxes on electronic commerce such as cable modem and digital subscriber lines. The Senate amendment adjusts the definition of Internet access to include certain Internet services, such as e-mail or home pages, which are provided independently of Internet access.	YES	Passed*	402-0
1015	10/30/07	H.J. Res. 58	Motion to suspend the rules and pass the joint resolution that expresses support for the designation of October 2007 as "Country Music Month" and honors the genre for its support of the military.	YES	Passed*	398-0
1016	10/30/07	H.R. 3867	Motion to recommit the bill to the Small Business Committee with instructions that it be immediately reported back with language that would strike a section in the bill to eliminate priority for contracts between government agencies and businesses in low-income and high unemployment areas (HUD zones).	YES	Failed	177-240
1017	10/30/07	H.R. 3867	Passage of the bill that reauthorizes contracting programs at the Small Business Administration (SBA) and increases the limit on federal contracts for goods and services awarded without competition to \$5.1 million. It provides for sole-source contracting without competitive bidding to certain businesses owned by minorities or disabled veterans and limits competition for federal	NO	Passed	334-80

			contracts to women-owned businesses. The measure also allows small businesses to challenge the awarding of a federal contract under specific SBA programs to other small businesses.			
1018	10/30/07	H.R. 3307	Motion to suspend the rules and pass the bill that designates a post office located in Bayonne, N.J., for Dennis P. Collins, who served as mayor from 1974 through 1990.	YES	Passed*	414-0
1019	10/30/07	H.R. 3446	Motion to suspend the rules and pass the bill that designates a post office in Marshall, Mich., for Michael W. Schragg, a postmaster who established the Marshall Postal Museum.	YES	Passed*	415-0
1020	10/30/07	H. Res. 778	Motion to suspend the rules and adopt the resolution that recognizes and honors those who responded to the Oct. 21, 2007, outbreak of wildfires in southern California and expresses the commitment of the House to the residents of southern California as they begin to rebuild their community and their lives.	YES	Passed*	409-0
1024	10/31/07	H.R. 3920	Substitute amendment that would have reauthorized and modified Trade Adjustment Assistance (TAA) programs for workers, firms and farmers for five years. It would have increased the federal share of monthly TAA participant premiums for the Health Coverage Tax Credit from 65 percent to 70 percent. It would have allowed states to apply for waivers of unemployment compensation program rules and expand the new markets tax credit to those impacted by trade and globalization job loss. It would have also extended employment and training programs of the Workforce Investment Act and provided for collection of unemployment insurance overpayments.	YES	Failed	196-226
1025	10/31/07	H.R. 3920	Passage of the bill that reauthorizes and extends through fiscal 2012 Trade Adjustment Assistance (TAA) programs for workers laid off due to the impact of foreign trade. It expands eligibility to service workers and government employees to qualify for TAA insurance benefit coverage and provides for a 20 percent increase in health care tax credits for unemployed workers. It also raises funding authority for training programs to \$440 million and increases to 90 days the advanced warning employers must give workers of impending mass layoffs. The bill offsets the cost of the program	NO	Passed	264-157

			expansion by raising taxes by \$9.4 billion by extending for three years the current payroll tax that funds unemployment benefits, and delaying for three years a tax break for companies that also pay taxes overseas.			
1026	10/31/07	H.R. 3043	Motion to instruct House conferees to disagree to any proposal that includes any additional funding or language not referred to the conference or that modifies specific matter beyond the scope that it was referred to the conference committee by either chamber.	YES	Failed	191-222
1030	11/1/07	H.R. 2262	Amendment that would have struck the new definition of "undue degradation," which under the bill would have created a higher standard than under current law for the approval of hard rock mining.	YES	Failed	173-244
1031	11/1/07	H.R. 2262	Amendment that would have struck a section of the bill that would regulate the mining of industrial minerals, such as limestone and mica, in the same way as the mining of common materials, such as sand and gravel.	YES	Failed	175-240
1032	11/1/07	H.R. 2262	Motion to recommit the bill to the Natural Resources Committee with instructions that it be reported back promptly with language that would clarify that no royalty would apply to minerals used in the manufacture of technology to produce solar or nuclear energy, and delay the bill's effective date until the Interior secretary certifies that the bill would not lead to the loss of American mining-related jobs.	YES	Failed	170-240
1033	11/1/07	H.R. 2262	Passage of the bill that overhauls federal regulations of hard rock minerals, which include copper, uranium and gold. Mining companies will be required to pay a new royalty for hard rock mines on federal land equal to 8 percent of gross income for new mines and 4 percent of gross income on existing mines that are not fully operational. Two-thirds of the royalties will go towards cleaning abandoned mines. The remainder will be used to provide public facilities and services in areas impacted by hard rock mining. The bill imposes new environmental standards for the industry and expands the types of land on which mining would be prohibited.	NO	Passed	244-166

1056	11/7/07	H.R. 3685	Motion to recommit the bill to the Education and Labor Committee with instructions that it be reported back promptly with language that would specify that nothing in the bill shall be construed to modify, limit, restrict or overturn any state or federal definition of marriage as between a man and a woman.	YES	Failed	198-222
1057	11/7/07	H.R. 3685	Passage of the bill that prohibits job discrimination on the basis of an individual's actual or perceived sexual orientation. It defines sexual orientation as heterosexuality, homosexuality or bisexuality. Employers could be sued to enforce the bill.	NO	Passed	235-184
1058	11/7/07	H. Con. Res. 236	Motion to suspend the rules and adopt the concurrent resolution that recognizes the close relationship between the United States and the Republic of San Marino and commemorates the countries' first bilateral exchange of ambassadors.	YES	Passed*	396-0
1060	11/8/07	H.R. 3688	Passage of the bill that implements a free trade agreement between the United States and Peru. The agreement continues the reduction in tariffs already in place for goods shipped to the U.S. and implements new reductions in tariffs for goods made in the U.S. and sent to Peru.	YES	Passed	285-132
1064	11/8/07	H.R. 3222	Adoption of the conference report on the bill that appropriates \$460.3 billion for Defense Department programs in fiscal 2008. The total includes \$140.1 billion for operations and maintenance, \$105.3 billion for military personnel, and \$23.5 billion for the Defense Health Program. It includes \$11.6 billion in emergency funding for vehicles to protect troops in Iraq from improvised explosive devices. It also carries appropriations provisions that temporarily fund the rest of the government through Dec. 14 and provide emergency disaster aid.	YES	Passed	400-15
1067	11/8/07	H.R. 3074	Motion to instruct House conferees to insist on including in the conference report provisions prohibiting the use of funds in the bill to hire or provide housing assistance to illegal immigrants.	YES	Passed	397-16
1068	11/8/07	H.R. 3355	Amendment that establishes the Federal Natural Catastrophe Reinsure Fund within the Treasury Department authorized to write reinsurance contracts covering catastrophic events. It also adds	NO	Passed	253-159

			a risk-based capital requirement for qualified reinsurance programs based on a formula developed in consultation with the National Association of Insurance Commissioners.			
1069	11/8/07	H.R. 3355	Amendment that would have required states to have regulations that develop, maintain and enforce best practices in building codes and address natural disaster exposures, in order for their reinsurance programs to qualify for government loans under the bill.	YES	Failed	168-249
1070	11/8/07	H.R. 3355	Amendment that would have limited the use of catastrophic loans to instances where a qualified reinsurance program has retained losses in excess of the amount of losses that would result from a single event of a catastrophic peril covered by the program of such magnitude that it has a 1 percent chance of being equaled or exceeded in any year.	YES	Failed	172-245
1071	11/8/07	H.R. 3355	Amendment that would have prohibited state reinsurance funds from receiving disaster loans if a state is delinquent on repayment of disaster loans made under the bill, or on disaster loans from other federal entities.	YES	Failed	176-242
1072	11/8/07	H.R. 3355	Substitute amendment that would have replaced the underlying bill with a 16-member Commission on Natural Catastrophe Risk Management and Insurance to examine the natural catastrophe insurance marketplace and provide a report to Congress.	YES	Failed	166-246
1073	11/8/07	H.R. 3355	Motion to recommit the bill to the Financial Services Committee with instructions that it be reported back forthwith with language that would clarify that a program would only be considered a qualified reinsurance program if the Treasury secretary certifies that the program does not result in individuals in any geographic region subsidizing other individuals including those in coastal areas.	YES	Failed	175-239
1074	11/8/07	H.R. 3355	Passage of the bill that authorizes \$120 million over six years for a National Catastrophe Risk Consortium to assist state reinsurance entities and the private market coordinate available reinsurance contracts. The measure establishes the National Homeowners' Insurance Stabilization Program to make government loans to state reinsurance programs.	NO	Passed	258-155

1075	11/8/07	H.R. 3043	Motion to concur to the Senate amendment and pass the bill that appropriates \$150.7 billion in fiscal 2008 for the departments of Labor, Health and Human Services, and Education, and for related agencies; \$63.6 billion for the Education Department; \$15 billion for the Labor Department; and \$30 billion for the National Institutes of Health. The bill increases spending by \$10 billion over the previous year.	NO	Passed	274-141
