Alexander Announces DOT Funding for Winnfield

WASHINGTON, D.C. – U.S. Rep. Rodney Alexander, R-Quitman, today announced that the Department of Transportation (DOT) will award a grant to Winnfield totaling \$85,673 for the David G. Joyce Airport.

The funding will be used to remove and bury a powerline that is an obstruction to the runway approach.

“With this funding from the Department of Transportation, the Winnfield airport can make an adjustment that will enhance safety and efficiency,” Alexander said.
