Dear Neighbor,

I am writing with some exciting news. I am proud to announce my completely redesigned website. I am hopeful this new website will be useful and informative for everyone who lives on the Central and South Coasts.

You can learn about the [legislation I've introduced](#) and cosponsored in Congress, watch videos of speeches I've made in the House of Representatives, and visit the Media Center to read press releases and opinion pieces. In Hot Topics, I've explained my positions on pressing issues such as gas prices and the war in Iraq. There's even a section that's just for kids.

I hope the new website will also allow my staff and me to better serve you. We can assist you if you are planning on [visiting Washington, D.C.](#) or if you would like to [order a flag](#) that was flown over the U.S. Capitol. I have also included information that may [help if you are having a problem with a federal agency](#), such as the Social Security Administration or the Veterans Administration. You can also sign up for email newsletters that will keep you updated on issues that affect our district.

I am also [inaugurating a blog](#) that will allow me to post informal messages on what's going on in Congress and in our California communities. I hope that you will spend a little time surfing my new website and that you'll [consider subscribing to my email newsletter](#).

Sincerely,
Lois Capps
Member of Congress
