

Congress of the United States  
House of Representatives  
Washington, DC 20515

March 28, 2006

The Honorable David Dreier  
Chairman, Committee on Rules  
U.S. House of Representatives  
U.S. Capitol, H-312  
Washington, DC 20515

Dear Chairman Dreier:

We are writing with regard to your efforts with Leadership to reform rules governing lobbying, earmarking, privately funded travel, and Section 527 organizations. We note that you have introduced H.R. 4975 and that this bill addresses most of these issues.

Each issue merits serious consideration on its own. Dividing the debate, rather than cobbling these diverse issues together, will ensure appropriate deliberation.

We urge you to structure the rule so that we can debate and vote on each issue separately. Your favorable consideration of this request would be greatly appreciated.

Sincerely,

  
JEFF FLAKE  
Member of Congress

  
JEB HENSARLING
