

Academy Nominations

Thank you for your interest in the U.S. Service Academies. As your 1st District Representative in the U.S. House, each year I have the privilege of nominating a limited number of people to four of the five service academies. The honor of attending a service academy comes with an obligation and commitment to serve in the military for a minimum of five years upon graduation. Best wishes to you as you pursue your goal of attending one of the U.S. Service Academies and serving our country.
