

A New Direction For America

Resources

The First 100 Hours - The legislative agenda for the House in the first 100 hours of the 110th Congress, updated as each item is passed.

Better Choices for America - Challenges facing our nation, what my colleagues and I have proposed to address them, and what Congress has done instead.

Congress's To Do List - Priorities for the next Congress to address.

The Innovation Agenda - A plan for securing domestic economic prosperity by doubling federal research funding and making the U.S. independent of oil from the Middle East.
