

CONGRESSMAN GUS M. BILIRAKIS

SERVING VETERANS IN FLORIDA'S 9TH CONGRESSIONAL DISTRICT

A MESSAGE TO OUR VETERANS

It is an honor to represent you in Congress and to have the opportunity to work on veterans issues. Our veterans deserve the best, and it is my job to work toward achieving that goal.

As a member of the Veterans' Affairs Committee and Chairman of the Republican Policy Committee Veterans' Affairs Task Force, I have made it a priority to convey the need for better benefits and opportunities for our nation's veterans, and I have introduced legislation to improve veterans' benefits and services. I am proud that many of my bills have been signed into law or have been approved by the U.S. House of Representatives.

I have also fought to bring additional health care resources to Florida by working with local and national VA officials to expand the Pasco County VA Outpatient Clinic which will help bring added health care services, such as dental care, to area veterans. I am also leading the efforts to bring an outpatient health clinic to Hillsborough County veterans.

My office provides many important services for our veterans. From providing assistance with VA claims to working with federal agencies to solve complex issues, this resource is available to all veterans and their families in the Ninth Congressional District.

Sincerely,
