

AC-2

Tom Coburn

AMENDMENT NO.

Calendar No.

Purpose: To provide for the spending of \$106,763,000 on programs that save children's lives, such as the President's Malaria Initiative, rather than lower priority programs, such as the Global Environment Facility, which produce few results and are managed by the United Nations Development Program, which utilizes corrupt procurement practices, operates contrary to United Nations rules, and retaliates against whistleblowers.
