OFFICE OF UNITED STATES SENATOR LARRY E. CRAIG

As part of the application process for becoming a United States Senate Page, I have asked the applicant named on this form to provide me with several Letters of Recommendation from those who know them well. The applicant believes that you will be able to provide me with an objective perspective regarding his or her qualifications, and trusts that you will consider his or her dependability, creativity, initiative, resourcefulness, character, writing ability, and work ethic while doing so. I ask that you also note how you met this person and how long you have been acquainted.

Please print clearly or type your response, using this form either for the body of your letter or as a cover sheet for your letter. You may also access [HTTP://CRAIG.SENATE.GOV/FORMS](http://craig.senate.gov/forms) to download the electronic version of this form to complete and print using any standard browser.

Thank you for your attention to this important matter, and for returning your letter to the applicant in a timely fashion. If you have any questions, please contact Renee Richardson, in my Pocatello office, at 208/236-6817.

Sincerely,

 LARRY E. CRAIG
 United States Senator
