The Honorable David R. Obey, Chairman
The Honorable Jerry Lewis, Ranking Member
Committee on Appropriations
H-218, The Capitol
Washington, DC 20515

Dear Chair Obey and Ranking Member Lewis:

I am requesting funding for **Detection and Remediation Response to Chemical Weapons** in Fiscal Year 2011.

The entity to receive funding for this project is:

Clafin University
400 Magnolia Street
Orangeburg, SC 29115

The funding will be used to **fund the research to develop chemical sensors using organic/inorganic chemicals that can detect Weapons of Mass Destruction, develop safe deactivation methods of chemical warfare agents, and will evaluate a broad spectrum of new compounds as antidotes and would be a good federal investment.**

I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,

James E. Clyburn
Member of Congress
