The Honorable David R. Obey, Chairman
The Honorable Jerry Lewis, Ranking Member
Committee on Appropriations

Dear Chair Obey and Ranking Member Lewis:

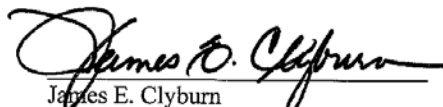

I am requesting funding for **Science on a Sphere** in Fiscal Year 2011.

The entity to receive funding for this project is:
South Carolina State University
200 College Street NE
Orangeburg, SC 29117

The funding will be used to **create an animated globe that will project images of the Earth and the solar system, which would help to crease the public's knowledge of the Earth's systems, environment, and space science and would be a good federal investment.**

I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,

James E. Clyburn
Member of Congress
