Florida Deepwater Horizon Oil Spill Response Efforts

Protecting our State's Resources and Coastal Economy

<http://www.dep.state.fl.us/deepwaterhorizon/default.htm>

The Florida Department of Environmental Protection (DEP) has been designated the lead state agency for responding to potential impacts of the Deepwater Horizon oil spill along Florida's shoreline. This website will serve as the primary location for updates and information on response actions and impacts to the state of Florida.
