To amend the Endangered Species Act of 1973 to provide for the suspension of each provision of the Act during periods of drought with respect to Federal and State agencies that manage Federal river basins that are located in each region affected by the drought.

H.R. 5058 **Jan. 17, 2008**

To prohibit the Secretary of the Interior from selling any oil and gas lease for any tract in the Lease Sale 193 Area of the Alaska Outer Continental Shelf Region until the Secretary determines whether to list the polar bear as a threatened species or an endangered species under the Endangered Species Act of 1973, and for other purposes.

H.R. 5588 **Mar. 11, 2008**

To prohibit the Secretary of the Interior from offering for oil and gas leasing or any related activity any tract in the Lease Sale 193 Area of the Alaska Outer Continental Shelf Region until the Secretary determines whether to list the polar bear as a threatened species or an endangered species under the Endangered Species Act of 1973, and for other purposes.

ENERGY

H.R. 6 **Jan. 12, 2007**

To reduce our Nation's dependency on foreign oil by investing in clean, renewable, and alternative energy resources, promoting new emerging energy technologies, developing greater efficiency, and creating a Strategic Energy Efficiency and Renewables Reserve to invest in alternative energy, and for other purposes.

H. Con. Res. 184 **July 12, 2007**

Expressing the sense of the Congress opposing removal of dams on the Columbia and Snake Rivers for fishery restoration purposes, supporting the renewable energy that the dams produce, and agreeing that their removal does not make sound environmental nor fiscal sense.

H. Con. Res. 417 **Sept. 16, 2008**

Expressing the sense of the Congress that the 110th Congress should not adjourn until comprehensive energy legislation has been enacted.

H.R. 902 **Feb. 7, 2007**

To facilitate the use for irrigation and other purposes of water produced in connection with development of energy resources.

H.R. 1133 **Feb. 16, 2007**

To provide for the energy independence of the United States.

H.R. 1305 **Mar. 1, 2007**

To amend the Energy Policy Act of 2005 to authorize discounted sales of royalty oil and gas taken in-kind from a Federal oil or gas lease to provide additional resources to Federal low-income energy assistance programs.

H. Res. 1374 **July 24, 2008**

Commemorating the 75th anniversary of the Grand Coulee Dam and recognizing its critical role in the national and economic security of the United States and the contributions of hydroelectric power to the reduction of greenhouse gas emissions.

H.R. 1500 **Mar. 13, 2007**

To provide for the stabilization of prices for gasoline, and for other purposes.

H.R. 1945 **Apr. 19, 2007**

To improve the energy efficiency of the United States.

H.R. 2036 **Apr. 25, 2007**

To promote the development and use of marine and hydrokinetic renewable energy technologies, and for other purposes.

H.R. 2057 **Apr. 26, 2007**

To amend the Energy Policy Act of 2005 to repeal a rebuttable presumption that the use of a categorical exclusion under the National Environmental Policy Act of 1969 would apply with respect to actions by the Secretary of the Interior and the Secretary of Agriculture with respect to certain activities for the purpose of exploration or development of oil or gas.

H.R. 2337 **May 16, 2007**

To promote energy policy reforms and public accountability, alternative energy and efficiency, and carbon capture and climate change mitigation, and for other purposes.

SUBJECT INDEX

ENERGY—Continued

- H.R. 2415** **May 21, 2007**
To reduce the price of gasoline by allowing for offshore drilling, eliminating Federal obstacles to constructing refineries and providing incentives for investment in refineries, suspending Federal fuel taxes when gasoline prices reach a benchmark amount, and promoting free trade.
- H.R. 2635** **June 7, 2007**
To reduce the Federal Government's contribution to global warming through measures that promote efficiency in the Federal Government's management and operations, and for other purposes.
- H.R. 2784** **June 20, 2007**
To greatly enhance the Nation's environmental, energy, economic, and national security by terminating long-standing Federal prohibitions on the domestic production of abundant offshore supplies of natural gas, to dedicate fixed percentages of the resultant royalties for environmental restoration projects, renewable energy and carbon sequestration research, and weatherization and energy assistance for those in need, and to share a portion of such royalties with producing States, and for other purposes.
- H.R. 2809** **June 21, 2007**
To ensure that the United States leads the world baseline in developing and manufacturing next generation energy technologies, to grow the economy of the United States, to create new highly trained, highly skilled American jobs, to eliminate American overdependence on foreign oil, and to address the threat of global warming.
- H.R. 2950** **June 28, 2007**
To reduce our Nation's dependency on foreign oil by investing in clean, renewable, and alternative energy resources, promoting new emerging energy technologies, developing greater efficiency, and creating a Strategic Energy Efficiency and Renewables Reserve to invest in alternative energy, and for other purposes.
- H.R. 3089** **July 18, 2007**
To secure unrestricted reliable energy for American consumption and transmission.
- H.R. 3220** **July 30, 2007**
Moving the United States toward greater energy independence and security, developing innovative new technologies, reducing carbon emissions, creating green jobs, protecting consumers, increasing clean renewable energy production, and modernizing our energy infrastructure.
- H.R. 3221** **July 30, 2007**
Moving the United States toward greater energy independence and security, developing innovative new technologies, reducing carbon emissions, creating green jobs, protecting consumers, increasing clean renewable energy production, and modernizing our energy infrastructure.
- H.R. 3435** **Aug. 3, 2007**
To improve energy security of the United States through a reduction in the oil intensity of the economy of the United States and expansion of secure oil supplies, to be achieved by increasing the availability of alternative fuel sources, fostering responsible oil exploration and production, and improving international arrangements to secure the global oil supply, and for other purposes.
- H.R. 3989** **Oct. 29, 2007**
To amend the Clean Air Act to reduce mercury, carbon dioxide, sulfur dioxide, and nitrogen oxide emissions, and for other purposes.
- H.R. 4059** **Nov. 1, 2007**
To promote electric transmission construction in rural areas with significant renewable energy potential, and for other purposes.
- H.R. 5452** **Feb. 14, 2008**
To amend the Coastal Zone Management Act of 1972 to authorize grants to coastal States to support State efforts to initiate and complete surveys of coastal State waters and Federal waters adjacent to a State's coastal zone to identify potential areas suitable or unsuitable for the exploration, development, and production of renewable energy, and for other purposes.
- H.R. 5437** **Feb. 14, 2008**
To promote alternative and renewable fuels, domestic energy production, conservation, and efficiency, to increase American energy independence, and for other purposes.
- H.R. 5805** **Apr. 15, 2008**
To establish a new solar energy future for America through public-private partnership and energy leasing for reliable and affordable energy for the American people, and for other purposes.
- H.R. 5851** **Apr. 17, 2008**
To provide for orderly and balanced development of energy resources within the Roan Plateau Planning Area of Colorado, and for other purposes.

SUBJECT INDEX

ENERGY—Continued

H.R. 6001 **May 8, 2008**

To rebalance the United States energy portfolio, to increase and utilize the Nation's domestic energy resources and supply, to strengthen energy security and independence, and for other purposes.

H.R. 6009 **May 8, 2008**

To leverage market forces to bring greater efficiency and capacity to domestic refineries, to bring new sources of domestic energy to market, and for other purposes.

H.R. 6138 **May 22, 2008**

To repeal the prohibition on using certain funds to issue regulations on oil shale resources.

H.R. 6161 **May 22, 2008**

To provide for American energy independence by July 4, 2015.

H.R. 6165 **May 22, 2008**

To amend the Internal Revenue Code of 1986 to assist individuals confronting high gasoline and diesel fuel costs in commuting to work by allowing a refundable credit against income tax based on the business standard mileage rate for commuting miles, and for other purposes.

H.R. 6186 **June 4, 2008**

To direct the Administrator of the Environmental Protection Agency to establish a program to decrease emissions of greenhouse gases, and for other purposes.

H.R. 6207 **June 9, 2008**

To develop American energy independence, lower gas prices, and open reliable national sources of energy.

H.R. 6256 **June 12, 2008**

To direct the Secretary of the Interior to establish an annual production incentive fee with respect to Federal onshore and offshore lands that are subject to a lease for production of oil or natural gas under which production is not occurring, to authorize use of amounts received as such fee for energy efficiency and renewable energy projects, and for other purposes.

H.R. 6384 **June 26, 2008**

To provide a comprehensive plan for greater American energy independence.

H.R. 6385 **June 26, 2008**

To provide a large-scale national effort to improve the state of our national security, economy and environment by providing market incentives to produce and deploy alternative energy solutions and reduce our dependence on foreign oil.

H.R. 6412 **June 26, 2008**

To promote the energy security of the United States, and for other purposes.

H.R. 6418 **June 26, 2008**

To achieve greater national energy independence by terminating longstanding moratoriums on the domestic production of offshore oil and natural gas and to authorize States to petition for authorization to conduct offshore oil and natural gas exploration and extraction in the coastal zone of their State.

H.R. 6463 **July 10, 2008**

To terminate or provide for suspension of the application of Federal laws that restrict exploration, development, or production of oil, gas, or oil shale, to facilitate the construction of new crude oil refineries, and for other purposes.

H.R. 6515 **July 16, 2008**

To amend the Naval Petroleum Reserves Production Act of 1976 to require the Secretary of the Interior to conduct an expeditious environmentally responsible program of competitive leasing of oil and gas in the National Petroleum Reserve in Alaska, and for other purposes.

H.R. 6523 **July 16, 2008**

To ban the export of Alaskan oil.

H.R. 6527 **July 16, 2008**

To amend the National Environmental Policy Act of 1969 to exempt any solar energy project on lands managed by the Bureau of Land Management from an environmental impact statement requirement.

H.R. 6544 **July 17, 2008**

To provide immediate relief from high fuel and food prices and to pursue alternatives in renewable energy.

SUBJECT INDEX

ENERGY—Continued

H.R. 6566 **July 22, 2008**

To bring down energy prices by increasing safe, domestic production, encouraging the development of alternative and renewable energy, and promoting conservation.

H.R. 6579 **July 23, 2008**

To require transfer of the 1002 Area of Alaska to the State of Alaska, and for other purposes.

H.R. 6670 **July 30, 2008**

To open areas of the Outer Continental Shelf to oil and gas leasing, to direct the Commodity Futures Trading Commission to utilize its authority to curb immediately the role of excessive speculation in energy markets, to require sales of light grade petroleum from the Strategic Petroleum Reserve and acquisitions of equivalent volumes of heavy grade petroleum, and for other purposes.

H.R. 6709 **July 31, 2008**

To greatly enhance the Nation's path toward energy independence and environmental, energy, economic, and national security, by amending Federal policy to increase the production of domestic energy sources, to dedicate fixed percentages of the royalties received for conservation programs, environmental restoration projects, renewable energy research and development, clean energy technology research and development, increased development of existing energy sources, and energy assistance for those in need, and to share a portion of such royalties with producing States, and for other purposes.

H.R. 6717 **July 31, 2008**

To terminate or provide for suspension of the application of Federal laws that restrict exploration, development, or production of oil, gas, or oil shale, to facilitate the construction of new crude oil refineries, and for other purposes.

H.R. 6779 **Aug. 1, 2008**

To provide for secure rural schools and counties, and State enhanced authority for coastal and ocean resources, and for other purposes.

H.R. 6817 **Aug. 1, 2008**

To increase domestic energy production and diversify America's energy portfolio.

H.R. 6824 **Aug. 1, 2008**

To provide for the development of advanced and alternative energy and increased domestic energy production to achieve American energy independence in 15 years.

H.R. 6830 **Aug. 1, 2008**

To authorize the Secretary of Agriculture and the Secretary of the Interior to assist in the development and coordination of markets for biomass and carbon trading for private forest landowners, to assure sustainable forest practices in the use of biomass and carbon trading activity, and to enhance the relationship between Federal lands and private forest lands on a regional basis in the biomass and carbon trading markets, and for other purposes.

H.R. 6887 **Sept. 11, 2008**

To authorize the President or a designee of the President to waive any legal requirement under any provision of Federal law otherwise applicable to a covered energy project as the President or such designee determines necessary to ensure expeditious conduct of such project, and for other purposes.

H.R. 6899 **Sept. 15, 2008**

To advance the national security interests of the United States by reducing its dependency on oil through renewable and clean, alternative fuel technologies while building a bridge to the future through expanded access to Federal oil and natural gas resources, revising the relationship between the oil and gas industry and the consumers who own those resources and deserve a fair return from the development of publicly owned oil and gas, ending tax subsidies for large oil and gas companies, and facilitating energy efficiencies in the building, housing, and transportation sectors, and for other purposes.

H.R. 6909 **Sept. 16, 2008**

To direct the Secretary of the Interior to give priority to consideration of applications for permits and other authorizations required for renewable energy projects on Federal public land, and for other purposes.

H.R. 6910 **Sept. 16, 2008**

To establish a monetary prize for achievements in overcoming scientific and technical barriers associated with the development and production of alternative fuel vehicles, to remove certain restrictions on the exploration, development, and production of mineral resources on Federal lands, and to use the resulting Federal revenue to fund the monetary prize and reduce the public debt.

SUBJECT INDEX

ENERGY—Continued

H.R. 7142 Sept. 26, 2008

To provide for assessment and identification of sites as appropriate for the location of offshore renewable electric energy generation facilities, to provide funding for offshore renewable electric energy generation projects, and for other purposes.

H.R. 7239 Sept. 29, 2008

To reduce gasoline prices, to lessen the dependence of the United States on foreign oil, to strengthen the economy of the United States, and for other purposes.

ENVIRONMENTAL HEALTH

H.R. 620 Jan. 22, 2007

To accelerate the reduction of greenhouse gas emissions in the United States by establishing a market-driven system of greenhouse gas tradeable allowances that will limit greenhouse gas emissions in the United States, reduce dependence upon foreign oil, and ensure benefits to consumers from the trading in such allowances, and for other purposes.

H.R. 1267 Mar. 1, 2007

To develop a methodology for, and complete, a national assessment of geological storage capacity for carbon dioxide, and for other purposes.

H.R. 2383 May 17, 2007

To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.

H.R. 3366 Aug. 3, 2007

To amend title 10, United States Code, to require the Department of Defense and all other defense-related agencies of the United States to fully comply with Federal and State environmental laws, including certain laws relating to public health and worker safety, that are designed to protect the environment and the health and safety of the public, particularly those persons most vulnerable to the hazards incident to military operations and installations, such as children, members of the Armed Forces, civilian employees, and persons living in the vicinity of military operations and installations.

H.R. 4226 Nov. 15, 2007

To accelerate the reduction of greenhouse gas emissions in the United States by establishing a market-driven system of greenhouse gas tradeable allowances that will limit greenhouse gas emissions in the United States, reduce dependence upon foreign oil, and ensure benefits to consumers from the trading in such allowances, and for other purposes.

H.R. 5809 Apr. 15, 2008

To amend the Public Health Service Act to authorize the National Institute of Environmental Health Sciences to conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 5881 Apr. 23, 2008

To direct the President to enter into an arrangement with the National Academy of Sciences to evaluate certain Federal rules and regulations for potentially harmful impacts on public health, air quality, water quality, plant and animal wildlife, global climate, or the environment; and to direct Federal departments and agencies to create plans to reverse those impacts that are determined to be harmful by the National Academy of Sciences.

ENVIRONMENTAL JUSTICE

H.R. 1103 Feb. 15, 2007

To codify Executive Order 12898, relating to environmental justice, to require the Administrator of the Environmental Protection Agency to fully implement the recommendations of the Inspector General of the Agency and the Comptroller General of the United States, and for other purposes.

H.R. 1602 Mar. 20, 2007

To ensure environmental justice in the areas affected by Hurricanes Katrina and Rita.

H.R. 4652 Dec. 13, 2007

To direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

H.R. 5132 Jan. 23, 2008

To require the Administrator of the Environmental Protection Agency to establish an Interagency Working Group on Environmental Justice to provide guidance to Federal agencies on the development of criteria for identifying disproportionately high and adverse human health or environmental effects on minority populations and low-income populations, and for other purposes.

ENVIRONMENTAL PRESERVATION /PROTECTION

H.R. 7145 Sept. 26, 2008

To amend the Internal Revenue Code of 1986 to promote environmental protection and generate preservation efforts, and for other purposes.

SUBJECT INDEX

EXCLUSIVE ECONOMIC ZONE (EEZ)

H.R. 27 **Jan. 4, 2007**

To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

H.R. 2010 **Apr. 24, 2007**

To provide the necessary authority to the Secretary of Commerce for the establishment and implementation of a regulatory system for offshore aquaculture in the United States Exclusive Economic Zone, and for other purposes.

H.R. 2400 **May 21, 2007**

To direct the Administrator of the National Oceanic and Atmospheric Administration to establish an integrated Federal ocean and coastal mapping plan for the Great Lakes and coastal state waters, the territorial sea, the exclusive economic zone, and the Continental Shelf of the United States, and for other purposes.

H.R. 2625 **June 7, 2007**

To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.

H.R. 2939 **June 28, 2007**

To prohibit the commercial harvesting of Atlantic blackfish in the coastal waters and the exclusive economic zone, and for other purposes.

H.R. 3841 **Oct. 16, 2007**

To prohibit the commercial harvesting of Atlantic menhaden for reduction purposes in the coastal waters and the exclusive economic zone.

H.R. 7109 **Sept. 25, 2008**

To prohibit the Secretary of the Interior from authorizing commercial finfish aquaculture operations in the Exclusive Economic Zone.

FEDERAL LAND MANAGEMENT

H.R. 307 **Jan. 5, 2007**

To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.

H.R. 1463 **Mar. 9, 2007**

To provide a source of funds to carry out restoration activities on Federal lands under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture, and for other purposes.

H.R. 1484 **Mar. 12, 2007**

To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.

H.R. 2593 **June 6, 2007**

To secure and conserve Federal public lands and natural resources along the international land borders of the United States, and for other purposes.

H.R. 5532 **Mar. 5, 2008**

To improve Federal land management, resource conservation, environmental protection, and use of Federal real property, by requiring the Secretary of the Interior to develop a multipurpose cadastre of Federal real property and identifying inaccurate, duplicate, and out-of-date Federal land inventories, and for other purposes.

H.R. 6300 **June 18, 2008**

To establish special preservation areas and rangeland preservation areas in Dona Ana County, New Mexico, and for other purposes.

FEES

H.R. 5502 **Feb. 27, 2008**

To amend Public Law 106-206 to direct the Secretary of the Interior and the Secretary of Agriculture to require annual permits and assess annual fees for commercial filming activities on Federal land for film crews of 5 persons or fewer.

H.R. 5502 **Feb. 27, 2008**

To amend Public Law 106-206 to direct the Secretary of the Interior and the Secretary of Agriculture to require annual permits and assess annual fees for commercial filming activities on Federal land for film crews of 5 persons or fewer.

SUBJECT INDEX

FEES—Continued

H.R. 5671 Apr. 1, 2008

To amend the laws establishing the Whiskeytown-Shasta-Trinity National Recreation Area and the Columbia River Gorge National Scenic Area, units of the National Forest System derived from the public domain, to authorize the Secretary of Agriculture to retain and utilize special use permit fees collected by the Secretary in connection with the operation of marinas in the recreation area and the operation of the Multnomah Falls Lodge in the scenic area, and for other purposes.

FISH AND WILDLIFE

H. Res. 634 Sept. 5, 2007

Encouraging participation in hunting and fishing, and supporting the goals and ideals of National Hunting and Fishing Day and the efforts of hunters and fishermen toward the scientific management of wildlife and conservation of the natural environment.

H.R. 3663 Sept. 25, 2007

To amend the Fish and Wildlife Act of 1956 to establish additional prohibitions on shooting wildlife from aircraft, and for other purposes.

H.R. 6057 May 14, 2008

To amend the Outer Continental Shelf Lands Act to prohibit preleasing, leasing, and related activities in the Beaufort and Chukchi Sea Planning Areas unless certain conditions are met.

FISHERIES

S.J. Res. 17 Aug. 3, 2007

Directing the United States to initiate international discussions and take necessary steps with other Nations to negotiate an agreement for managing migratory and transboundary fish stocks in the Arctic Ocean.

H. Con. Res. 94 Mar. 20, 2007

Encouraging the elimination of harmful fishing subsidies that contribute to overcapacity in commercial fishing fleets worldwide and that lead to the overfishing of global fish stocks.

H. Con. Res. 184 July 12, 2007

Expressing the sense of the Congress opposing removal of dams on the Columbia and Snake Rivers for fishery restoration purposes, supporting the renewable energy that the dams produce, and agreeing that their removal does not make sound environmental nor fiscal sense.

H. Con. Res. 229 Oct. 9, 2007

Expressing the sense of the Congress that the United States should seek a review of compliance by all nations with the International Commission for the Conservation of Atlantic Tunas' conservation and management recommendations for Atlantic bluefin tuna and other species, and should pursue strengthened conservation and management measures to facilitate the recovery of the Atlantic bluefin tuna, and for other purposes.

H.R. 234 Jan. 4, 2007

To make funds available for Pacific Salmon emergency disaster assistance.

H. Res. 458 June 5, 2007

Supporting the goals and ideals of National Fishing and Boating Week.

H. Res. 582 July 27, 2007

Recognizing the South Carolina Aquarium's Sustainable Seafood Initiative and the benefits it provides to coastal South Carolina, South Carolina fishermen, South Carolina restaurants, and the consumers of seafood in coastal South Carolina, and for other purposes.

H.R. 1507 Mar. 13, 2007

To ensure that proper information gathering and planning are undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River Basin in a manner that protects and enhances local communities, ensures effective expenditure of Federal resources, and maintains reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 2939 June 28, 2007

To prohibit the commercial harvesting of Atlantic blackfish in the coastal waters and the exclusive economic zone, and for other purposes.

SUBJECT INDEX

FISHERIES—Continued

H.R. 3227 **July 30, 2007**

To direct the Secretary of the Interior to continue stocking fish in certain lakes in the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.

H.R. 3639 **Sept. 24, 2007**

To establish a program of research and other activities to provide for the recovery of the southern sea otter.

H.R. 3830 **Oct. 15, 2007**

To amend the Bonneville Power Administration portions of the Fisheries Restoration and Irrigation Mitigation Act of 2000 to authorize appropriations for fiscal years 2008 through 2014, and for other purposes.

H.R. 3840 **Oct. 16, 2007**

To prohibit commercial fishing of Atlantic menhaden for reduction purposes in inland, State, and Federal waters along the Atlantic coast of the United States, and for other purposes.

H.R. 3841 **Oct. 16, 2007**

To prohibit the commercial harvesting of Atlantic menhaden for reduction purposes in the coastal waters and the exclusive economic zone.

H.R. 4087 **Nov. 6, 2007**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to extend the authorized time period for rebuilding of certain overfished fisheries, and for other purposes.

H.R. 6031 **May 13, 2008**

To direct the Director of the United States Fish and Wildlife Service to conduct a study of the feasibility of a variety of approaches to eradicating Asian carp from the Great Lakes and their tributary and connecting waters.

H.R. 6940 **Sept. 18, 2008**

To provide flexibility for the operation of the Bureau of Reclamation C.W. "Bill" Jones Pumping Plant and the Harvey O. Banks Pumping Plant of the State of California in times of drought emergency, to support the establishment of a fish hatchery program to preserve and restore the Delta Smelt in the Sacramento-San Joaquin Delta, and for other purposes.

H.R. 7150 **Sept. 26, 2008**

To conserve the United States fish and aquatic communities through partnerships that foster fish habitat conservation and improve the quality of life for the people of the United States, and for other purposes.

H.R. 7169 **Sept. 26, 2008**

To amend Public Law 106-392 to extend the authorizations for the Upper Colorado and San Juan River Basin endangered fish recovery programs, and for other purposes.

FLORIDA

H.R. 1922 **Apr. 18, 2007**

To designate the Jupiter Inlet Lighthouse and the surrounding Federal land in the State of Florida as an Outstanding Natural Area and as a unit of the National Landscape System, and for other purposes.

H.R. 2028 **Apr. 25, 2007**

To extend Federal recognition to the Muscogee Nation of Florida.

H.R. 2145 **May 3, 2007**

To establish a pilot program in the Department of State for improvement of government-to-government relations with the Miccosukee Tribe of Indians of Florida.

H.R. 3120 **July 19, 2007**

To authorize the Secretary of the Interior to conduct a special resource study of the Stranahan House in Broward County, Florida, and for other purposes.

H.R. 3924 **Oct. 22, 2007**

To designate the information center at Canaveral National Seashore as the "T.C. Wilder, Jr., Canaveral National Seashore Information Center".

H.R. 5861 **Apr. 22, 2008**

To amend the Outer Continental Shelf Lands Act to prohibit oil and gas preleasing, leasing, and related activities in certain areas of the Outer Continental Shelf off the coast of Florida, and for other purposes.

SUBJECT INDEX

FORESTS

H.R. 17 **Jan. 4, 2007**

To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H. Res. 390 **May 9, 2007**

Recognizing the importance of the Ouachita National Forest on its 100th anniversary.

H.R. 483 **Jan. 16, 2007**

To authorize the Secretary of Agriculture to carry out certain land exchanges involving small parcels of National Forest System land in the Tahoe National Forest in the State of California, and for other purposes.

H.R. 671 **Jan. 24, 2007**

To make funds generated from the Caribbean National Forest in the Commonwealth of Puerto Rico available to the Secretary of Agriculture for land acquisition intended to protect the integrity of the buffer zone surrounding the Caribbean National Forest, and for other purposes.

H.R. 672 **Jan. 24, 2007**

To protect the critical aquifers and watersheds that serve as a principal water source for the Commonwealth of Puerto Rico, to protect the tropical forests of the Karst Region of the Commonwealth, and for other purposes.

H.R. 707 **Jan. 29, 2007**

To establish the Mountaintown National Scenic Area in the Chattahoochee National Forest, Georgia, and to designate additional National Forest System land in the State of Georgia as components of the National Wilderness Preservation System.

H.R. 860 **Feb. 6, 2007**

To designate certain public land as wilderness and certain rivers as wild and scenic rivers in the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Recreation Area and Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 903 **Feb. 7, 2007**
