

A NEW DIRECTION

PROGRESS FOR THE AMERICAN PEOPLE

“This is one of the most productive Congresses in history.”

Norman Ornstein, Congressional Scholar at American Enterprise Institute, Financial Times 3/19/10

“... Congress and the White House have completed 16 months of activity that rival any other since the New Deal in scope or ambition...” David Leonhardt, New York Times 5/22/10

Democrats are moving America forward, restoring Main Street values, and creating jobs here at home. We are fighting for Americans who work for a living—in the face of relentless opposition by Wall Street and the big bankers, Big Oil, and the health insurance industry, led in Congress by Republicans who are trying to take us back to the “exact same agenda” of failed Bush economic policies that caused the mess. We won’t go back.
