March 16, 2010

The Honorable David R. Obey, Chairman
The Honorable Jerry Lewis, Ranking Member
Committee on Appropriations
H-218, The Capitol
Washington, DC 20515

Dear Chair Obey and Ranking Member Lewis:

I am requesting funding for **Hydrogen Batteries for the Warfighter** in Fiscal Year 2011.

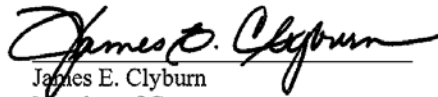

The entity to receive funding for this project is:

University of South Carolina
202 Osborne Administration Building
Columbia, SC 29208

The funding will be used to develop a Beta system with refined electrodes and system changes necessary to achieve durability and long-term liquid fuel operations to deliver a robust portable power unit that is Army specification field rugged and would be a good federal investment.

I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,

James E. Clyburn
Member of Congress
