Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for **Lake Marion Water Project** in fiscal year 2011.

The entity to receive funding for this project is:

US Army Corps of Engineers
69-A Hagood Ave.
Charleston, SC 29403

The funding would be used for the continuation of laying water line extensions in order to provide potable water to rural areas of South Carolina and is a great federal investment.

I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,

James E. Clyburn
Member of Congress
