GENERAL INFORMATION

Before a candidate can receive an offer of appointment to a service academy, the candidate must obtain a nomination from an authorized source. As a U. S. Congressman, Representative Cooper is able to submit nominations from his constituency. A student can also apply for nominations through U. S. Senators and the Vice President. If a parent is presently on active duty and has served in the military for at least eight years or is retired, a student may apply for a presidential nomination through the military. Children of deceased or disabled veterans or children of Medal of Honor winners may apply for a nomination directly from the service academies.

Congressman Cooper is now accepting nomination applications from students who are interested in attending one of the nation's military academies:

	U.S. Air Force Academy	U.S. Military Academy
(West Point)		
U.S. Naval Academy		
U.S. Merchant		
Marine Academy		
U.S. Coast Guard		
Academy*		

*does not require a nomination

Applications for the Class of 2015 (entering in July, 2011) are due by November 15, 2010.

Acceptance of an offer of appointment from an academy involves at least a nine year obligation to military service - four years at the academy and five years of active duty service.
