Dear Service Academy Nominee Applicant:

There are many responsibilities and honors associated with being a member of the United States House of Representatives, but perhaps one of the greatest is nominating qualified young men and women to the United States Service Academies.

The United States Military Academies have educated many of America's top leaders. U.S. Presidents, Senators, Representatives, astronauts and leaders in many civic and private organizations have all attended these prestigious universities and started their careers as leaders in the United States Army, Navy, Marine Corps, and Air Force.

As a Member of Congress I may nominate up to ten individuals for each vacancy in the entering class and am allowed a maximum of five persons at each academy during any given year. Since the process is so competitive, I strongly recommend that candidates apply to both U.S. Senators and the Vice President, in addition to seeking nomination from me.

Completed applications received on or before October 31, 2010 will be referred to my nominating committee. The nominating committee is comprised of service academy graduates, members of the military and other southern Minnesota citizens. Following a thorough review of all submitted materials, each applicant is interviewed by the nominating committee. The nominating committee then makes recommendations to me regarding final nominations. A member of my staff will be in touch to schedule an interview with the committee following receipt of your completed application.

To assist you with the application process, I have provided information below detailing the eligibility and application requirements that will enable me to recommend you to my nominating committee for review. For further guidance about this process, please contact John Pierce in my Rochester office at (507) 206-0643.

I look forward to the nomination process this fall and I commend you for your willingness to serve your country.

Sincerely,

A handwritten signature in black ink that reads "Timothy J. Walz". The signature is fluid and cursive.

Timothy J. Walz
Member of Congress
