

Dear representative Young,

It was nice meeting with you on Wednesday. My name is Courtney and I'm from Valdez, Alaska. I found out after our meeting, later that day that you were my grand mothers teacher back in Fort Yukon. Her name was Jessie Jonas aka mable. Anyways, it was a nice trip here to Washington D.C. I hope that one day I can be back again. You had some great opinions on Alaska. I don't really disagree on anything that you said. You explained things clearly and I completely respect and understand those opinion. Once again, thanks for meeting us from Alaska, The Last Frontier! 😊

Sincerely
~~Courtney Knowles~~
