The Honorable Ken Salazar
Secretary
Department of the Interior
1849 C Street NW
Washington, DC 20240

Dear Secretary Salazar:

On June 24, 2010 I wrote to you regarding your misrepresentation of peer reviewed recommendations associated with the Department of Interior's report titled "Increased Safety Measures for Energy Development on the Outer Continental Shelf." In that letter I requested all records relating to the report. I also reiterated this request to you at a hearing before the Committee on Natural Resources on June 30, 2010. I still have not received a response from you.

I once again request that these documents be delivered to room 394 Ford House Office Building as soon as possible. If you have any questions or need additional information, please contact Mr. Tom Hammond, Investigations and Oversight Subcommittee Minority Staff, at (202) 225-6371.

Sincerely,

Rep. Paul Broun, M.D.
Ranking Member
Subcommittee on Investigations
and Oversight
