Interning with Senator Shaheen is a great opportunity for college students interested in pursuing a career in politics and public policy. Interns will be able to participate in a broad range of office activities in support of office staff. Where possible, we will try to match assignments to individual interests. We also encourage interns to fully take advantage of all the resources of Capitol Hill and the surrounding institutions by attending seminars, hearings and other events that take place outside the office. Please indicate in the selections below which activities are of particular interest to you.

- Communications
- Administration
- Economy
- Foreign Affairs
- Environment
- Social Policy
- Health Care
- Technology
- Education
- Energy
- Trade
