March 30, 2009

The Honorable David R. Obey  
Chairman  
House Appropriations Committee  
H-218, The Capitol  
Washington, DC 20515

I am requesting funding for the construction of a Science and Technology Center in Fiscal Year 2010. The entity to receive funding for this project is Claflin University, located at 400 Magnolia St., Orangeburg, SC 29115. The funding will be used to create needed space for the preparation of minority scientists and engineers who will serve the country through their participation in academia, industry, and government. This project would be a good federal investment. I certify that neither I nor my spouse has any financial interest in this project.
