The Honorable David R. Obey  
Chairman  
House Appropriations Committee  
H-218, The Capitol  
Washington, DC 20515

Dear Chair Obey:

I am requesting funding for Tactical Metal Fabrication System (TacFab) in Fiscal Year 2010. The entity to receive funding for this project is the South Carolina Research Authority, located at 5300 International Boulevard, Charleston, South Carolina, 29418. The funding will be used for development and implementation of a tactically mobile rapid metal fabrication capability to provide spare and replacement parts to Warfighters in the theater. This project would be a good federal investment. I certify that neither I nor my spouse has any financial interest in this project.
