

“I’m honored to have the support of my colleagues to lead the Congressional Hispanic Caucus in the 112th Congress.

“Hispanics continue to be the fastest growing minority group in the U.S and the CHC is faced with unique challenges and opportunities to work together to find a common ground for real solutions.

“As we rebuild our economy, create the much needed jobs, and build a world-class education system for our children, the CHC will continue to represent the Latino communities in order to create a strong and inclusive nation that values hard work and dedication to family. Every American strives for freedom and a chance to build a better life, and we are dedicated to ensuring the same opportunities are available to our Latino communities.”
