Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for **Guam Strike Ops Group and Tanker Task Force Renovation (TFI)** in fiscal year 2011.

The entity to receive funding for this project is:

Andersen AFB Headquarters
Unit 14003
Yigo, GU 96543

The funding would be used for a new **Secretary of Defense** mission. Andersen is the new power projection hub for intelligence, surveillance, reconnaissance, strike and aerial refueling assets. Project supports the capability to strike rapidly and effectively anywhere throughout the Pacific. Current facilities are mission limiting as functionality residing in each facility is geographically separated where they should be collocated. Additionally, other unit functions reside in locations with inadequate space to conduct mission critical tasks. Request will also remove 1940 era facilities that require frequent renovations to maintain basic hygienic and safety standards..

I certify that neither I nor my spouse has any financial interest in this project.

The funding would be used for **the construction of Andersen Air Force Base's South Ramp utilities required to meet Secretary of Defense direction to posture Andersen AFB as the hub for a force of intelligence, surveillance, reconnaissance, strike and aerial refueling assets. Upgrades will ensure rapid and effective strike capabilities to anywhere in the Pacific exist on Guam. Inadequate and dilapidated facilities require an upgrade, replacement and/or repair to meet new mission. Existing water, wastewater, fire protection system, power, supervisory control and data acquisition and communications systems improvements are required to ensure adequacy and reliability of facilities within main base and along South Ramp.**

The entity to receive funding for this project is:

Andersen AFB Headquarters
Unit 14003

The funding would be used for **construction of a facility to support beddown of the Commando Warrior ground combat skills training school relocating to the new PACAF Regional Training Center at Andersen Air Force Base's Northwest field. Currently, there are no facility at Northwest Field that can meet this mission requirement. The current beddown facility was constructed in 1969 and does not meet Air Force standards. Additionally, current location of the beddown facility requires daily travel equivalent to two days of lost training. This facility is critical to maintain mission-ready status for the Commando Warrior training mission.**

The funding would be used for **beddown support of the 554th RED HORSE squadron at the new PACAF Regional Training Center at Andersen Air Force Base's Northwest Field. Full Operation Capability cannot be achieved without this facility and no facilities at Northwest field can meet this mission. This project is critical to maintaining on-time phasing plans for unit relocating to Northwest Field of Andersen AFB. Without this facility, the RED HORSE operational capability will be severely limiting and will prevent rapid and sustained engineering support to the AF and other forces operating in the Pacific theater. Roadway improvements are necessary to accommodate more than 8,000 Marines, 630 Army personnel as well as almost 10,000 dependents. Roadways will have to be strengthened to reduce the risk of structural failure of the roads. Improvements are critical to the 176,000 habitants of the island to reduce congestion and structural failure. The funding would be used for **construction of a multi-story replacement hospital to provide inpatient medical/surgical, obstetrical and intensive care units as well as outpatient primary and specialty care clinic, emergency medicine medical logistics and support functions. This facility replaces the existing circa 1954, 330-bed structure. The new hospital will deliver modern and efficient healthcare. The new structure will address the latest safety standards and seismic mitigation technology. Additionally, the new structure will reduce the enormous life-cycle operating cost that currently exist with the obsolescent and antiquated infrastructure.**

I certify that neither I nor my spouse has any financial interest in this project.

The Honorable David R. Obey, Chairman
The Honorable Jerry Lewis, Ranking Member
Committee on Appropriations
H-218, The Capitol
Washington, D.C. 20515

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for a **Soldier Readiness Processing Center** in fiscal year 2011.

The entity to receive funding for this project is:

U.S. Army Garrison, Fort Hood
Building 1001
Room W321
Fort Hood, TX 76544

The funding would be used for a **single consolidated facility for Soldier Readiness Processing (SRP) activities for deploying units at Fort Hood. The existing SRP complex was the site of the November 5, 2009 shootings that claimed numerous victims and forced dispersal of SRP functions throughout the installation. SRP validates the readiness of each soldier for deployment and there is a vital element of projecting US military force to theatres of conflict. Fort Hood has sent more soldiers to Iraq & Afghanistan than any other US installation. In addition, the existing site remains stigmatized by this tragic event of national significance and does not provide an environment conducive to soldier well-being. This project is urgently needed to consolidate SRP activities into a single, efficient facility.**

I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,

Chet Edwards

Dear Chairman Obey,

I am requesting funding for the Platform Protection Engineering Complex (P-328) in fiscal year 2011. The entity to receive funding for this project is Naval Surface Warfare Center, Crane Division, located at NAVSURFWARCENDIV, 300 Highway 361, Crane, IN 47522. The funding would be used by NSWC Crane to build facilities which are required for the rapid reaction design, build, and testing various critical electro-optic imaging devices. This project will construct an addition to the existing Electro-Optics Facility, a Light-Tight Tunnel for indoor testing, and enhancements to an existing EO-IR-Laser Proving Range for outdoor testing. I certify that neither I nor my spouse has any financial interest in this project.

If you have any questions, please contact Jed D'Ercole of my staff at 202-225-4636.

Sincerely,

The entity to receive funding for this project is:
Stewart Air National Guard Base Aircraft Base
1 Militia Way

The funding would be used for **helping the base meet the required adequately sized and properly configured space to support the conversion and operation of 12 PAA C-5 to an 8 PAA C-17 wing. The C-5A aircraft are planned to be retired and the C-17 will arrive in 2011. Facilities must be in place to allow the C-17 crews and maintenance personnel to operate and maintain the C-17 from this base. The base facilities have been constructed and are configured to operate and maintain a wing of C-5 aircraft. While the majority of the aircraft facilities are adequate for a C-17 maintenance and training operations , there are a few requirements that are unique to the C-17 aircraft. The C-17 requires a Composite Material shop area. Space for this is not available. The shops and AMU space need to be reconfigured to meet unique C-17 requirements. The squadron ops area will also require some interior reconfiguration to meet unique C-17 requirements since the number of aircrews will change.**

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for Upgrades to the Atlantic Test Range in the fiscal year 2011 Military Construction Veterans Affairs Appropriations bill.

The entity to receive funding for this project is the Patuxent River Naval Air Station in Patuxent River, MD 20670. The funding would go to construct an addition to the existing Atlantic Test Range and will house new control rooms for Unmanned Air Vehicles, intelligence data acquisition laboratory spaces, as well as a Sensitive Compartmented Information Facility(SCIF) areas. I certify that I do not have any financial interest in the project.

If you have any questions, please contact my staff at 202-225-4131. With kindest regards, I am,

Sincerely yours,

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for a **Dental Clinic Replacement** in fiscal year 2011.

The entity to receive funding for this project is:
Fort Belvoir
Fairfax County, VA

The funding would be used for the **construction of an addition to the new BRAC dental clinic that will provide supplemental dental and support clinic spaces. This will consolidate dental services at Ft. Belvoir onto the main health campus currently under construction. The project will replace the outdated Logan Dental Clinic, which is technologically obsolete and does not meet current DOD dental health criteria.**

I certify that neither I nor my spouse has any financial interest in this project.

Re: Air Traffic Control/Base Operations Facility, Minot Air Force Base, Minot, North Dakota

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the Air Traffic Control/Base Operations Facility at Minot Air Force Base, Minot, North Dakota in fiscal year 2011. The entity to receive funding for this project is the United States Air Force located at the Minot Air Force Base. This project will involve constructing an 11-story control tower in addition to a consolidated facility to house base operations and radar approach control operations. This facility is required to provide consolidated operations for air traffic control and base operations. This facility will replace an existing tower that is in need of major repair, and will also provide more efficient control operations by collocating these important functions. The existing control tower has many associated problems. It leaks badly during rainstorms and is inadequately heated and cooled. Communication and radar equipment in the existing tower may suffer catastrophic damage due to the frequent leaks. I certify that neither I nor my spouse has any financial interest in this project.

Re: Central Deployment Center, Grand Forks Air Force Base, Grand Forks, North Dakota

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the Central Deployment Center at Grand Forks Air Force Base, Grand Forks, North Dakota in fiscal year 2011. The entity to receive funding for this project is the United States Air Force located at the Grand Forks Air Force Base. This project will construct a consolidated Central Deployment Center that will allow the wings plan and program offices, deployment control center, mobility processing unit, mobility bag storage, weapons storage, air cargo terminal, and transportation control units to be located in one location. Due to the current lack of a central location for these functions that has adequate space for indoor vehicle operations, critical cargo marshalling must take place outdoors during the severe weather.
