How Do I Renew My Green Card?

If your card has not expired, you need to complete Form I-90 and take the completed form along with two pictures and the applicable filing fee to an Application Support Center. If your card has expired, been lost or stolen, you need to complete Form I-90 and hand deliver it to the nearest immigration office. The closest office to our Congressional District is located at 1341 Sycamore View Road, Memphis, TN, 38134. Business hours are Monday through Friday, 8:00 a.m. to 4:30 p.m., Central Time. Individuals are served on a first-come, first-served basis.

How Do I Let USCIS Know If I Have Moved?

If you have an application or petition pending with Immigration, you should send a letter to the office handling the matter and give them your old address and new address and attach a copy of your receipt for having filed those documents with that particular office.

If you have nothing pending with Immigration and you have moved, it is necessary that you complete Form AR-11.

If you would like Congressman Cooper to inquire about the status of your Naturalization or Green Card, fill out a Privacy Release Form. The USCIS will only allow us to check the status of your application/petition if you give us your consent by filling out the privacy form.
