H.R. 2802

A bill to provide for an extension of the legislative authority of the Adams Memorial Foundation to establish a commemorative work in honor of former President John Adams and his legacy

*As ordered reported by the House Committee on Natural Resources
on September 10, 2009*

H.R. 2802 would extend through December 2, 2013, the authority of the Adams Memorial Foundation to construct a memorial to the former president on federal lands within the District of Columbia. The extension would give the foundation, a nonprofit organization, an additional four years to obtain the necessary funds to complete the memorial project.

Because the prospective memorial would be established with nonfederal funds, CBO estimates that enacting H.R. 2802 would have no effect on the federal budget.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
