

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

October 2, 2009

H.R. 1593

**A bill to amend the Wild and Scenic Rivers Act
to designate a segment of Illabot Creek in Skagit County, Washington,
as a component of the National Wild and Scenic Rivers System**

*As ordered reported by the House Committee on Natural Resources
on September 10, 2009*

H.R. 1593 would designate an additional 14.3 miles of the Illabot Creek in Washington State as part of the National Wild and Scenic Rivers System. Based on information provided by the U.S. Forest Service and assuming the availability of appropriated funds, CBO estimates that the Forest Service would spend about \$20,000 a year to maintain, protect, and enhance the creek. Enacting H.R. 1593 would not affect direct spending or revenues.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Matthew Pickford. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
