

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

October 30, 2009

### **H.R. 3237**

#### **A bill to enact certain laws relating to national and commercial space programs as title 51, United States Code, “National and Commercial Space Programs”**

*As ordered reported by the House Committee on the Judiciary  
on October 21, 2009*

H.R. 3237 would codify certain laws relating to national and commercial space programs as title 51 of the United States Code. In restating existing law, the legislation would make technical changes to the law involving national and commercial space programs. CBO estimates that enacting H.R. 3237 would have no significant impact on the federal budget and would not affect direct spending or revenues.

H.R. 3237 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
