COST ESTIMATE**

**S. 1405
Longfellow House-Washington's Headquarters
National Historic Site Designation Act**

*As ordered reported by the Senate Committee on Energy and Natural Resources
on December 16, 2009*

S. 1405 would rename the Longfellow National Historic Site, located in Massachusetts, the Longfellow House-Washington's Headquarters National Historic Site. CBO estimates that implementing the name change would have no significant effect on the federal budget. Enacting S. 1405 would not affect direct spending or revenues.

The legislation contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
